G. LESTER PAUL

As Dr. Kelmer (The Devil) in "The Devil." Opera House, tonight only.

Special Engagement.

Newberg is promised something of a sensation in the theatrical line with the tonight engagement of the Alcazar Stock Co. in the season's sensation, "The Devil." This great play has just concluded a record-breaking run in Portland. The Oregonian, Telegram and Journal were unanimous in their praise and all agree that it is the most remarkable play that has been seen in years. To quote the Oregonian, "Nothing resembling it has ever been seen before." It is now playing to packed houses in New York, Chicago, Los Angeles and all over the continent. New York has gone "Devil" mad and the two large theaters of Harrison Gray Fiske and Henry W. Savage are bought out for weeks ahead. When one considers that the play was first produced last winter in far off Hungary this immense world wide popularity is nothing short of miraculous.

The Alcazar Stock Co. is one of the best balanced organizations in the country and has been selected with great care for their ability and fitness for the play. It is under the personal direction of G. Lester Paul, one of the best producers and stage directors the country has ever known. His delineation of the difficult role of Dr. Kelmer (The Devil) is nothing short of marvelous.

Miss Virginia Barbour, the leading lady, is one of the cleverest and most versatile actresses in the country, and plays the difficult part of Meta with great sympathy and careful attention to detail. The rest of the company are equally clever in their different roles and give one of the best performances that have been seen in Newberg for some time.

The company plays a circuit of the larger valley towns and it depends to a large extent whether Newberg shows its appreciation tonight whether it is made a permanent member or not. They have been meeting with phenomenal success and played to packed houses in Corvallis, Hillsboro, Dallas and other of the larger towns. Remember tonight only.

"Lord," prayed the little boy, "make me thankful for gittin' licked today. (pause) But say, Lord, I'm going to scrap that kid again tomorrow, and, Oh, Lord, if you'll only help me this time, we'll whale the stuffin' outen him."
