

GOLDEN WEDDING.

Nathan and Elizabeth A. P. White Celebrate the Fiftieth Anniversary of their Marriage

A short time ago when it was publicly announced that Nathan and Lizzie White, as they are familiarly known, would celebrate the fiftieth anniversary of their marriage on the afternoon and evening of November 3, their many friends about town, as well as those at a distance, anticipated an unusually pleasant gathering. Nathan is an all round well informed man, something of a wit as well as a writer of jingle for home gatherings to tickle the ears of his friends on such occasions, and Mrs. White—well if a newcomer shows up in the community who hails from Indiana or any of that region and she don't know him or any of his "folks" he is indeed a stranger in a strange land. Indeed her knowledge of family "trees" is only equaled by Uncle James Vestal in spotting his numerous "cousins" even unto the fourth and fifth generation of them that know him not.

Then why should not everybody have a good time when they went to help celebrate this rounding out of fifty years of wedded life. Well they had it. The afternoon was ideal and many accepted the invitation and went. They were met on the ivy-covered porch by Mrs. Matilda Johnson, of Whittier, California, a long time friend of the family, who saw that everybody registered.

The house was decorated with autumn leaves and ferns, while a unique feature was a portier of Lady apples over which were the word "welcome" and the dates 1858-1908 in gold letters on a black ground. The table decorations were a pyramid of fruit surrounded by mignonette, representing the autumn of life.

Refreshments were served in the diningroom, the Misses Mary Cook, Erma Heacock, Eula Colcord and Florence Kaufman assisting.

The bride and groom were supremely happy on the coming of so many of their friends and it was evident to any who felt the hearty grasp of their hands that this day and occasion will remain with them in memory as their remaining days come and go.

Both were born in Indiana and they were married at the home of the bride, Richmond. Since 1874 they have been residents of Oregon. First they settled at Dayton but later went to Sherman county. Eight years ago they came to Newberg which has since been their home.

Their children who are living are W. E. White, of Newberg, and Mrs. H. M. Ogden, of Portland. They also have two grandsons, Melvin Pool Ogden, of Eugene, and Everett Peckham, of Oklahoma, the latter the son of their younger daughter, Lelia, deceased.

Do they always agree in their opinions? Well the pictures of Taft and Chafin were both given prominent place on the front porch, but Nathan went early to the polls and cast his vote for the big Ohio man, and from the time the returns began to come in he has been wearing the typical Taft smile.

The out of town guests were Mr. and Mrs. L. G. Adair, of Eugene, the latter a sister of Mrs. White who was bridesmaid at the wedding, Melvin Ogden, Eugene, Mrs. E. A. Truehood, Mrs. Lee Stanley, Mrs. Stanhope Pier, Mr. and Mrs. F. S. Pierce, Maxwell Pierce, Mrs. H. A. Moore, Mrs. W. H. Moore, Mrs. Elizabeth Roberts, Mr. and Mrs. W. S.

Powell, all of Portland; Mrs. Ethel Phelps and little daughter, Spokane; Mrs. C. L. Hadley, San Dimas, California; Mrs. Matilda Johnson, Whittier, California; Mrs. Horace Hays, Sherwood; Mrs. Docia Macy, Springbrook; Mrs. Mary Jane Jessup and Mr. and Mrs. N. L. Wiley, Rex.

Many beautiful presents were sent, among them a shower of golden coins.

Merchants Protective Association.

The impression has gone out that the Merchants' Protective Association is an organization by the merchants for the purpose of compiling and comparing prices.

This is a false impression. The Merchants Protective Association was organized for the sole purpose of bringing the business men in closer touch with each other and to avoid unnecessary losses of overdue accounts.

If commercial conditions were ideal and humanity perfect there would be no need of such an organization. But the facts are that there are some people who consciously or unconsciously over estimate their financial abilities and thus some innocent party must necessarily help share the loss.

There is, however, another class of people who, when they get an account with one firm, will pay in part and then go and start with another firm, and then another, etc., till at last they owe several small accounts all over town and at times their accounts are denied by themselves. When at last things get too warm they decide to leave the vicinity and go elsewhere.

In order to equalize these conditions the merchants have been forced to organize for mutual protection. Again to avoid too many of such extreme cases as named above, it has become necessary at times to place parties on the black list. That is no credit is extended till all bills are paid in full. We have also a state and interstate organization to keep parties from leaving the state with unpaid bills behind. They are followed from one place to another and finally forced to settle by law.

The local association strongly urges all business men of our town to join in any of our regular meetings.

By order of M. P. A. of Newberg, by Committee.

Landslide for Taft.

The election proved to be a landslide for Taft and he is sure of 309 electoral votes, with 26 doubtful. The following states are his with pluralities as shown: California 60,000, Connecticut 38,000, Delaware 3,000, Idaho 20,000, Illinois 175,000, Indiana 8,000, Iowa 70,000, Kansas 28,000, Maine 32,000, Maryland 136, Massachusetts 70,000, Michigan 118,000, Minnesota 60,000, Montana 3,000, New Hampshire 25,000, New Jersey 70,000, New York 203,495, N. Dakota 30,000, Ohio 60,000, Oregon 27,000, Pennsylvania 350,000, R. Island 7,000, S. Dakota 30,000, Utah 25,000, Vermont 31,000, Washington 50,000, W. Virginia 10,000, Wisconsin 80,000, Wyoming 10,000.

The complete returns indicate that Taft has carried every county in Oregon and in Yamhill county he carried every precinct with the exception of Willamette where Bryan led by one vote. Taft carried the county by 731 votes.

The vote in North Newberg precinct was Taft 187, Bryan 102, Chafin 82, Debs 8; South Newberg, Taft 157, Bryan 74, Chafin 47, Debs 8. Dundee precinct

gave Taft 55, Bryan 35. Governor Charles E. Hughes of New York was again elected by 71,150 majority.

Portland Notes.

Eugene surprised the people of this entire country last year by raising a great advertising fund and paying a salary of \$5,000 annually for an expert. Up to last Saturday night there had been subscribed for the coming year \$13,861, to which will be added \$1400, the total being more than a dollar and a half for every man, woman and child in the city, and this will be used in advertising the resources and advantages of Eugene and Lane county. Eugene is determined to go ahead and doesn't mind a little thing like a national election. What other town of 10,000 people in Oregon, Washington or California can match this record?

Salem will have the convention of the Oregon State Dairy Association December 10th and 11th and already preparations are being made for a gathering that will surpass all previous meetings. The Oregon development League will continue to work with the Association and uses the dairy report as one of its most effective pieces of literature in corresponding with Eastern farmers.

Thirty-three of Albany's leading business men came to Portland last Friday to personally invite the business men of this city to participate in a celebration at Albany on Tuesday, November 10th, with the Linn County Apple Show and the opening of a fine new depot as the features. As an evidence of the enterprise of this Albany delegation, each and every one of them brought his own round trip ticket and left Albany at four o'clock in the morning, starting to work in Portland at 7:15. They were guests at a special luncheon at the Portland Commercial Club. Portland excursionists will go by special train and the party will be one of the largest that has gone from the city this fall.
