Portland Notes.

"I simply had to stop telling
my friends where I was going,"
said a man from Kansas City re-
cently, "for when I spoke of the
Pacific Northwest everybody
was so interested and wanted so
much information that I
wouldn't have had any time left
for my own business had I under-
taken to get it for them. You
have no idea how many people
are looking in this direction."

Various commercial bodies of
Oregon and Washington are
planning to get out leaflets to be
used as a letter enclosure, empha-
sizing the wonderfully low colon-
ist rates from the East—they are
awaiting announcement of At-
lantic Coast and other points
not yet decided by the Passenger
Association of the trans-conti-
nental roads. The \$25.00 fare
from Missouri River points,
\$30.50 from St. Louis and \$33.00
from Chicago is the lowest
named for three years.

Lost, Strayed or Stolen.

From ranch large black boar.
A reward will be given for infor-
mation which will lead to his
arrest. A. D. McEWAN, Dundee.
