High School Items.

(By the Piores Press Committee.)

Assembly period has been changed. Instead of having a twenty-five minute Assembly, as formerly, two periods will be held, one of ten minutes, coming immediately after school opens in the morning, the other period coming directly afternoon. Assembly program this week: Wednesday: Ella Moffitt, Iva Hughes, Senior essays Thursday: Address by some local man. It cannot be announced definitely who has been secured. It is probable that school will be adjourned Friday.

New student entry: Violet Crow, Sophomore, Ione Stewart, Freshman.

Mrs. McIntosh and Mr. Kletzer go to McMinnville, Wednesday, Thursday and Friday, to take examinations. Miss Hull and Mrs. Reagan, assisted by Mr. Wiley, will take charge of the High School work during their absence.

In spite of so many being absent Friday, the Piores gave

one of their best programmes. It is loyalty of this kind, that goes to make up a "progressive" society. For the last month the Assembly room has been adorned with artistic program posters, announcing Piores programs. Quite a degree of skill is shown in their designing.

Both the boys and girls' basketball teams go to Vancouver, Wash. Thursday to play the High School teams of that place. Vancouver claims the Northwest Interscholastic Championship and our boys will put up a hard fight. The girls are also determined to win their game.

The High School Debating team is working over-time to prepare themselves for the debate Feb. 19, with the Astoria High School. The High School took the scalps of the McMinnville College second team last Friday, with a score of 26 to 13. McMinnville boys were somewhat heavier than the home boys, but fast passing and more accurate basket shooting won the game for our team.
