

"Acres of Diamonds"

Rev. Russell H. Conwell, of national fame, in his great lecture entitled "Acres of Diamonds," expressed the sentiment that it is the duty of every one to boost for his home town and its local industries.

There are many ways to do this and one way is to order of your grocer and insist on having

High School Items.

(By the Piores Press Committee.)

Everything is in readiness for the Astoria-Newberg debate next Friday night at Duncan's hall. A good musical program has been arranged and both teams are ready to do their best. The students are taking quite an interest in the debate and have sold a large number of tickets. No one can afford to miss this as the question is being widely discussed at present and is of great importance to all interested in school work.

Monday evening a freshman social was held in Craters hall. A good time was reported by all.

New student entry: Ambrose Barcroft, Carl Jones, and Nettie and Nancy Benton, all registering for freshman classwork.

There was much surprise among the High school pupils Monday morning when on arriving, they found Mrs. Reagan and Miss Hull, instead of their former teacher, Mrs. McIntosh. Much regret has been expressed among the pupils, for Mrs. McIntosh has made many firm friends during her short stay.

The High School basket ball teams found their match last Thursday evening at Vancouver. Both teams were rather decisively beaten. The boys' score was 52 to 9 and the girls lost by a score of 20 to 8. Vancouver holds the Northwest championship and a return game has been arranged for. Both home teams go to Chemawa Saturday to meet the strong Indian teams.

Carl Mills was up from Portland the first of the week visiting with his brother, J. H. Mills.

Sam McVey went to Portland a few days ago and bought a large traction engine which he will use to furnish power to operate his rock crusher. He has a contract with the county court to furnish several thousand yards of crushed rock for the public roads the coming season, and he expects to be kept pretty busy.

At a meeting of the stockholders of the Newberg Telephone Co. held one evening the first of the week, it was decided to increase the capital stock of the company to \$15000 and prepare to put in a first class system, with a view of giving the people perfect service. Business men who have investigated the matter are satisfied that it can be made a paying proposition and considerable stock has already been spoken for.

On Saturday evening of last week Miss Alice Hayes gave a Valentine party to her many friends at her home in the Chehalem Center neighborhood north of Newberg. A very pleasant evening was spent with games and music after which the guests all retired to the dining room where a bountiful feast was spread. Those present were the Misses Nellie Paulsen, Bertha Bunford, Mabel Rush, Josie Ellis, Blanch Davis, Nancy Atkinson, Jessie and Nellie Angus, Mrs. Ray Carter, Messers Ray Carter, Samuel Atkinson, Ray and Frank Moore, Orville Westfall, Roscoe Ellis, Earl Paulsen, John Angus and Tom Herd.

Having met with an accident, I have been unable to call personally on those desiring to purchase fruit-trees or other stock, but can assure you that I am in position to fill all orders which I may receive and not resort to the practice of substituting other varieties instead. I represent one of the largest and best nurseries on the coast. Stock guaranteed first class and as cheap as any No. 1 stock can be sold for spring or fall delivery.

The Glug Family.

The best school play ever published will be given in Duncan's Hall Thursday evening Feb. 25th. Every parent and pupil should hear it as it was written especially for you. We have made the prices low so all can hear it. Reserved seats 25 cents, general admission 10 and 15 cents. The proceeds go for school necessities. Every one should hear it. It is better than "The Old Fashioned School" given last year, which drew the largest crowd of the season.

Notice to the Public.

On account of many erroneous reports being circulated relative to the action of the School Board of District No. 29 in refusing to reemploy a former teacher, the board takes this means of notifying all persons interested, that the reasons why such action was taken may be learned by calling at the office of the district clerk, W. W. Nelson, and reading the minutes of the meeting of the board at which such action was taken.

The Perfect Fence

If you want your farm to look neat, fence it with PITTSBURGH PERFECT FENCE. Why?

Because: the strands and stays are electrically welded. Because: it stretches up perfect and even. Because: it stays tight in summer. Because: it adjusts itself perfectly to uneven ground. Because: being electrically welded the stay wires cannot slip. Because: no top and bottom board required; and because it has no wraps to hold moisture and cause rust. Sold by
