For first class windows and doors, window and door screens, cabinet work, or interior finish of any kind, call at the office of the Newberg Mfg and Construction Co. Here you will be convinced that the goods and price is correct.

Will sell at private sale at my barn, foot of Meridian street, two good mares, yearling colt, one heifer, one brood sow, wagon, heavy harness, cream separator and some farm tools. Inquire of Vernon Hinshaw. JESSE EDWARDS.

Newberg people are proud of their public and high schools. Make it known by attending the debate tomorrow evening. The high school student body treasury has gone behind about \$35 in the debates held thus far. If a further deficiency occurs tomorrow night, the student body will be seriously handicapped, and may have to withdraw from the debating league for lack of support. Attend the debate, and make it possible for your high school to remain in the league. This should be done by all means, especially when they have such good prospects of winning the state championship.

FOR SALE—Team, harness, wagon and colt six months old. 4-8 G. W. HAMMOND.

H. R. Cobb is prepared to do your express or other light hauling at reasonable rates.

FOR SALE—Six good cows and two heifers. JOHN CROSBY, Dundee.

Would you like to assist the high school debaters in winning the beautiful silver cup which is to be presented to the champion debating team of the state? If so, encourage them by attending the debate tomorrow night. They have won every debate held thus far and are working hard to go still higher. Help boost your town by boosting your schools.

The Dalles-Newberg Debate.

Attend the championship debate tomorrow night, and hear the Newberg High School debaters in their contest with The Dalles High School. An excellent musical program will alone be worth the price of admission. Reserved Seats on sale at the drug stores. Prices 25 and 35.

The Perfect Fence

If you want your farm to look neat, fence it with PITTSBURGH PERFECT FENCE. Why? Because: the strands and stays are electrically welded. Because: it stretches up perfect and even. Because: it stays tight in summer. Because: it adjusts itself perfectly to uneven ground. Because: being electrically welded the stay wires cannot slip. Because: no top and bottom board required; and because it has no wraps to hold moisture and cause rust. Sold by
