## The Perfect Fence

If you want your farm to look neat, fence it with PITTS-  
BURGH PERFECT FENCE. Why?

Because: the strands and stays are electrically welded.  
Because: it stretches up perfect and even. Because: it stays  
tight in summer. Because: it adjusts itself perfectly to uneven  
ground. Because: being electrically welded the stay wires cannot  
slip. Because: no top and bottom board required; and because it  
has no wraps to hold moisture and cause rust. Sold by
