The Report of the W. C. T. U. Meeting.

This Union met on August 11 at the College Dormitory where we retreated to the shade of near by trees.

It was called to order by our President Mrs. Hannon. Mrs. Newlin conducted the devotional exercises. Our secretary being absent, no minutes of previous meeting were read, but Mrs. Royce was appointed to act as secretary pro tem.

Business began by hearing the various reports from different superintendents. Some were read, some given verbally. In all an encouraging status of the year's work was given. It was voted and carried to give \$2 to county work, also that each member provide some fruit for the Children's Home of Portland again Thanksgiving. It was decided to send greetings to Miss Townsend by cards.

Appointing committees to look after the County Convention was in order. The election of new officers for the coming year was taken up resulting in re-electing Mrs. Lottie Hannon as president. Mrs. Scott was elected vice-president. Mrs. Lorena Hodson both corresponding and recording secretary. Mrs. Bowerman as treasurer, other vice-presidents being Mrs. Patterson, Mrs. Newlin, Mrs. Royce and Mrs. ——. The president being asked for a retiring speech responded by treating all to cake and fruit-ade which was much enjoyed during a short social. Our meeting closed with the benediction, 14 responding at roll call. MRS. KOPP, sup.

In Memoriam.

Whereas: It has pleased Our Heavenly Father to take from among us our dear Sister Mrs. Achsa Morris, be it resolved that we as members of Newberg Union yield submissively to His holy will, and in this way, pay our last tribute of love and respect to her most useful and consecrated life.

Sister Morris was a most efficient president of our county, and also our local Union at one time, and always one of our most loved and honored members.

Resolved that we as a W. C. T. U. of Newberg extend our heart-felt sympathy to Brother Morris and relatives in their sad hour of bereavement and pray that God in his mercy will heal their sorrow with the thought that He in his infinite wisdom knows best. Resolved that these resolutions be put on the minutes of the W. C. T. U. and a copy sent to Brother Morris, also they be published in the paper and White Ribboner.

SUNDAY SCHOOL LESSON

Suggestive Quotations on the Sunday School Lesson by Rev. Linacott for the International Newspaper Bible Study Club.

Aug. 22nd, 1909.

Paul on Christian Love—I Cor. 13:1-13.
Golden Text—And now abideth faith hope, love, these three, but the greatest of these is love, I Cor. 13:13.

Verse 1—What is the utmost which can be claimed for the gift of eloquence? Why is an eloquent man without love, like a brass band with cymbal accompaniments?

Will eloquence without love, make a man acceptable to God?

Will eloquence without love, make a man acceptable to his fellows, or give any lasting satisfaction to himself,

Verse 2—Is there any necessary moral praise due to a man who has the gift of prophecy, and has intuitive knowledge of mystery?

Is there any more necessary praise to be accorded to a big man than to a little man?

If God gives a man the faith so he can remove a mountain and he at the same time is without love, what good is the faith to him?

Verse 3—Do some people give liberally, and suffer personal inconvenience, who have no real love in their hearts

and if so, what is it which prompts to these acts?

If a man gives when it can be seen, and does not give when it cannot be seen, is there any love in his heart, or any real merit in his charity?

Should the church refuse to accept of money for the Gospel, or for charity, from those who clearly give to be seen of men?

Do those who give without love, but to be seen of men, reap any benefit from it, or does it hurt them?

Can you conceive of a man giving his body to be burned, for his religion with an impure motive, or without love in his heart?

What is the only thing which recommends us to God in and of itself?

Verses 4-7—What proof can you give that love is long suffering and kind?

If we really love a person will we ever speak of him to his injury, no matter what the provocation may be?

What is it in love, which tends to patience, politeness, kindness, gentleness, and humility?

May a person be controlled by love, and be envious at the same time, and if not, why not?

Does love always make a man think of "the other fellow" before himself?

What does love take all its pleasure from?

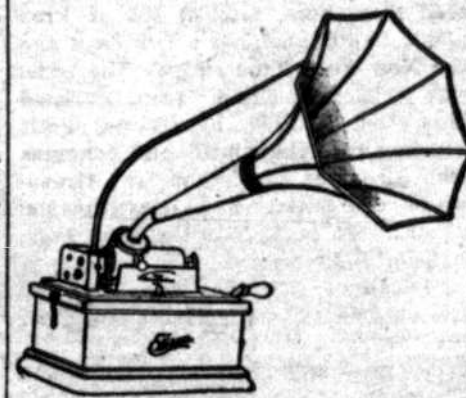

Verses 8-13—Can despondency or doubt, or depression, or hopelessness, or any other bad feeling, occupy the heart that is filled with love?

What will be the relative values or uses in heaven, of faith, hope, eloquence, knowledge, love?

What is really the sum total of all things, or that which sums up in itself all the blessedness, nobility, and happiness, that the mind can conceive, or the heart crave, and why is it so? (This question must be answered in writing by members of the club.)
