High School Items. (By Priores Press Committee.)

On account of bad weather the Dayton-Newberg Field meet could not be held Friday as had been planned.

A program, consisting of music and readings, will be held in the High School Assembly room Friday night this week. A Basket supper will follow the program. All ladies are invited to bring baskets.

The High School debating team is preparing their next debate, to be held with the winners of the Hood River-Tillamook debate.

Miss Reuter read a very interesting essay in assembly last week, her subject being, "The Life of Edward McDowell."

Mr. Mann, who has just closed his school near Rex, visited school Monday.

Don't forget the basket social at the High School Assembly room Saturday evening.

Saturday will be the last day of the county spelling match.

The Arbor day program was given in Duncan's Hall on account of the weather. The school marched to the hall in a body. Those who saw the procession will have no doubts as to the rapid growth of the Newberg schools in the past few years. Those who took part in the program, acquitted themselves creditably and their respective teachers deserve praise for their work in drilling them. Though the house was packed, not one of the children became stage frightened. Reverend Stannard delivered a very appropriate address, especially for the children. He compared our lives to the trees and made many striking and fitting comparisons between the growth of trees and the growth of the minds of children.

The Albany-P. C. Debate.

On Friday night in the college chapel beginning at 8 o'clock the Albany College debating team will line up against the Pacific College team in the final debate of the season to decide the championship.

The question for debate is the Des Moines or commission plan for municipal government, the home team taking the affirmative and Albany the negative. The home team has been handicapped by two of the original team, Claude Newlin and Miss Kathryn Bryan being compelled to give up school work for the time, on account of their health, but their places have been supplied by Harvey Wright and Bruce Douglas who are doing hard work and are expected to maintain the reputation of the old gold and navy blue in this important event.

Albany has a strong team this season and those who enjoy a good debate will no doubt hear something worth while on this occasion.

A small admission fee of 25 cents will be charged to help defray necessary expenses.

Great Game of Ball

The Newberg Juniors put up a great game of ball on last Saturday, defeating the Dayton lads by a score of 4 to 10, although the visitors had some of the Dayton first team men in the game. A game will be played on the college campus next Saturday with the McMinnville team. The Jr's. put up a snappy game and you will want to see them perform. Everybody come.
