**Pacific College Notes.**

Stella Hubbard, who was compelled to drop out of school work early in the year on account of ill health, visited classes last Thursday.

May 2 is to be celebrated by the college as May Day if the weather is favorable. Athletic feats will be the order of the day and a dinner will be served.

Prof's Reagan and Weesner attended the county teachers institute at McMinnville last Saturday, making the trip on wheels.

In a chapel talk given last Tuesday morning Prof. Weesner showed up certain phases of corruption practiced in elections under the Australian system and suggested as a partial remedy an arousing of civic interest.

Paul V. Maris of the class of 1907 who, for the past two years has held the position of deputy State Dairy and Food Commissioner, very unexpectedly walked into chapel for a visit one morning last week, when Mrs. Douglas, who was down for the morning talk, very cleverly presented him to the students as the speaker for the occasion. Though taken by surprise at the sudden turn in affairs Mr. Maris at once warmed up to his subject and gave the students and teachers as well, some food for thought along the line of "Science In Its Relation to Agriculture." His off-hand address was well received and all will be pleased to have him return at some other time.

**Dundee.**

Wm. Huckleberry, of Portland, has purchased the Southmayd place at the cross roads. His brother, Mr. Bennett, will have charge of its cultivation.

George Morrison has sold his farm to Mr. Brill, of Milwaukee, Wisconsin, who expects to take possession soon.

William Allan made a business trip to McMinnville Wednesday. Mr. Allan has purchased a power spray outfit the first one ever brought into the Red Hills.

Saturday last the Junior League of Dundee boys defeated at baseball a junior nine from Newberg, the score being fifteen to twenty-four.

Mr. A. Halley, of Newberg, is a guest of Roe Robison.

Mrs. Huckleberry went to Portland Sunday to spend a week with her son, William.

Mrs. William Hill spent Wednesday with friends in Dayton.

Mrs. Roe Robison attended a birthday party of a relative at McMinnville last Thursday.

Mrs. S. B. Bailey, formerly a Red Hill neighbor, but now of Troutdale, is expected as a guest at Mrs. Hill's this coming week.

Elmer Imus is convalescing slowly but both Rhoda and Ralph Imus are still ill with la-grippe. Mrs. Imus has been suffering with blood poisoning in her hand the result of an injury received from a vicious rooster. This is the fourth time of late that our attention has been called to the ugly temper of pet roosters. It would be well for those having poultry to be careful as it is said that fowls that have been raised as pets are the most liable to become ugly.

Mrs. Jamsen and little daughter were Newberg visitors last week.

Mr. and Mrs. Harold Prince recently visited relatives on Parrett mountain.

THE conservative banker, in making loans, must know to a certainty that his applicants or sureties are responsible and worthy of credit. Likewise, the prudent depositor will know the character and standing of the bank with which he is to deal. Therefore, before inviting your confidence and soliciting your patronage, we wish to call your attention to the personnel of our Officers, Board of Directors, and Stockholders:
