A Valuable Number of the Oregon Historical Quarterly.

The Quarterly of The Oregon Historical Society for March, 1910, Vol. II, No. I, lies upon our table. During the past ten years the Society has issued over five thousand pages of historical matter relating to the "Oregon Country"—the entire Pacific Northwest—all secured from original sources, and edited by Prof. F. G. Young, Secretary. No publication of a similar character in the United States has a higher standing or is more eagerly sought for by those who desire to acquaint themselves with the genesis of the American settlement west of the Rocky Mountains. The contents of the present issue are as follows: "Oregon Counties: Their Creations and the Origins of Their Names," the annual address by Mr. Frederick V. Holman, President of the Society, at the annual meeting, Dec. 18, 1909; "Opinion of Wm. D. Fenton on the Power of the Legislature to Increase the Number of Justices Constituting the Supreme Court of Oregon." It is interesting to note that this opinion, given Jan. 13, 1899, was sustained by the Supreme Court of Oregon on Dec. 21, 1909. The address by Mr. Holman, from a purely historical point of view, is one of the most important ever delivered in the state. Months of time were spent in preparation, and great care exercised in establishing every statement made, by reference to original sources. This address will be of great service to every educational institution and business office in the Pacific Northwest, as it affords the starting point for all future county history. Copies may be secured by sending to George H. Himes, Assistant Secretary, City Hall, Portland, Oregon.

McMinnville.

The second annual session of the summer normal school will open here next week.

Work is progressing rapidly on the new high school building which is to be ready for occupancy this fall.

The races at the Bewley track last Saturday were well attended and good records made. Meets will be held at various times during the summer.

The prize lists for the coming County School Fair are out and

include a long list of prizes, cash and otherwise. The dates for the fair are Sept. 20-23.

Local autoists here completed the placing of sign posts at cross roads throughout the county directing travelers toward the county seat and telling the exact distances.

Commencement exercises of McMinnville College began Saturday night with a musical recital in Music Hall, and will conclude with an address Wednesday night before the alumni association by Rev. W. B. Hinson D. D., of Portland. A splendid baccalaureate sermon was delivered in the First Baptist church Sunday night by Rev. J. W. Kramer, of Spokane. Twelve graduates received degrees this year from the various departments.

The Man Who Starts In Business To-day

must have money or credit—to be successful he should have both.

The real starting point of any business is: The time at which one begins a systematic saving.

If he begins right he opens a bank account, and gradually builds up both his account and his credit.

If YOU begin NOW it will bring YOUR day for starting just that much the nearer.

BRING in your pay checks, milk and butter checks, egg checks, or checks received from whatever business you are in, and open an account.

We will cash checks at par, no matter where or on what bank they were issued.

Pay your help by check, pay your store bills by check—it is systematic to pay by check.

Your bank book will show your income, and what it costs you to run your business. Your checks will be your receipts for accounts paid, and probably the means of saving you, at some time, a costly lawsuit on account of some dispute.

This bank does a general commercial banking business—we co-operate with and assist our customers in the upbuilding of their business.

Your account, whether large or small, will be appreciated.

We invite you to come in and inquire about our SAVINGS DEPARTMENT for old and young. \$1.00 or more will start an account.

Our CUSTOMERS have the privilege of keeping their DEEDS, INSURANCE POLICIES, VALUABLE PAPERS, and LOCK-BOXES in our spacious, fire-proof VAULT—without cost to them.
