WHITE & NICHOLS

A COLD FACT!

Tires Set With Brooks' Cold Tire Setters

are better and will run longer without loosening than is possible when set in the old hot way. No charred surfaces to wear away and loosen the tire. No overdishing wheels or splitting fellows. The damage to your wheels by running them with loose tires for one day moy amount to muchmore than the cost of resetting them. WE SET TIRES QUICKLY WHILE YOU WAIT.

Albert Abraham, state senator, of Roseburg, has filed his petition to become candidate for governor, declaring that he is in favor of the primary

State Fish Warden Clanton says the For the information of voters I prospects are excellent for a large take of salmon eggs this season at the various stations in the Columbia river district.

After a journey across the continent for the purpose of effecting a reconciliation with her husband, who, she says, deserted her ten years ago, Mrs. Edward Mathews, of Cincinnati, arrived in Portland, only to learn that her helpmate had given her the slip and is now in the Deschutes country.

An automobile rate war has broken office and will receive much out at Shanko between the independent automobiles and the Cornett Stage & Stable company and the Central Oregon Automobile company, the latter two being the principal companies handling interior passenger traffic from that point.

> Oregon's apple show, to be held in Portland November 30 to December 2. inclusive, is going to be the largest and best ever conducted under the auspices of the Oregon Horticultural society. The premium list will contain many attractive prizes. This list will be completed soon, and will be distributed throughout the state.

County surveyors are at work establishing grade stakes for the proposed Portland to Hood River road along the Columbia. The right-of-way has been surveyed and grades are being established as rapidly as possible and it is thought that everything will be in readiness to begin actual construction work i rohtnonamshrshrdh

struction work in a month or two. Surveys have been completed by the state engineer on the Rogue river project and the next move is to adjudicate the water rights. Superintendent H. L. Holgate, of Klamath Falls, has not set a date for hearing, but it is probable the hearing will be held some time during September. This is a large project and there are fully

5000 claimants who are interested. After causing the loss of three lives and destroying 3,000,000 feet of timber and machinery valued at \$5000, the Santiam forest fire is under control. It was checked by the digging of five miles of trenches which prevented further spread of the flames among the humus covering of the soil. The fire started on July 19, near Hoover, on the Corvallis & Eastern railroad, and is said to have been the result of carelessness on the part of employes of the Hoover Lumber company, which is the greatest loser.

As the aftermath of the indictment of J. Thornburn Ross, John E. Altchison and Frank B. Holbrook for conspiracy to defraud the United States of arid lands under the desert land act, civil suits have been started in the federal courts for the recovery of a result of the alleged conspiracy.

BRIEF NEWS OF THE WEEK

The American consul at Managua, has advised the state department that the revolutionary movement is gaining strength in western Nicaragua.

New York City faces a sugar famine as a result of the strike at the Williamsburg plant of the American Sugar Refining company. For nearly a week the company has been unable to make its usual deliveries to remilers.
