### DUNDEE

The regular meeting of the W. C. T. U. will be held at the home of Mrs. Rhoda Poole on Saturday, April 15.

The program to be given by the Sunday School children at the church at ten o'clock on Easter Sunday, April 16, promises to be a very interesting one.

Misses Anna L. Christopher and Rose I. Young, of Portland, last week moved into their summer home at Otterbrook.

On the twenty-ninth of March a nine pound boy came to the

home of Clark Smith. Miss Willows, of Newberg, was the guest of Mrs. Robert Chalmers last Sunday.

On Saturday evening there was a large gathering of fruit growers and their friends to hear the lecture by H. M. Williamson, Secretary of the State Board of Horticulture. He gave some valuable suggestions on fruit growing and the necessity of study in order to make orchard work a success and answered the many questions asked by different members of the Dundee Fruit Growers' Association. The orchard men of the com-

munity feel that the district has been greatly benefited by the good, common sense talk of Mr. Williamson. While in Dundee Mr. Williamson was the guest of H. B. Powell.

George Morrison and A. C. Morse went to Salem on business last week.

The flocks of goats and sheep in the Red Hills have been molested of late by dogs and many lambs and kids killed. It is presumed that the dogs come from a distance and that their owners do not know of the trouble or they would keep the dogs up.

Robert Jensen, who has been suffering with sciatic rheumatism is reported a little better.

David Rees, of Salem, came up Saturday and gave Grandpa Keyes a ride in his auto.

### SHERIDAN GETS VETERAN MEETING

The board of Directors of the Yamhill County Veteran Association met at Sheridan, April 6, 1911, for the purpose of making arrangements for holding the third annual reunion of the association, and after meeting with the Sheridan Commercial Club, and getting a promise of the support of that body, decided to hold the meeting at Sheridan commencing on Tuesday, August 22, and holding four days, the programme to be furnished on the 22 by Sheridan, on the 23 by McMinnville, on the 24 by Dayton and on the 25 by Newberg.

A committee on programme was appointed consisting of F. B. Leonard, of Sheridan; John W. Coovert, of Dayton; D. H. Turner, of McMinnville, and B. F. Pike, of Newberg; this committee to call to their assistance such others as may be needed to make the meeting a success.

The W. R. C. was invited to take part in the programme at such time as will best meet their

wishes, either to co-operate with the Post or to have an afternoon or evening to themselves.

The board then adjourned to meet at the call of the President. B. F. PIKE, Secretary. Yamhill County Veteran Association.

An Arab and his wife were constantly quarreling, and the wife always went straightway to her father and made complaint. One day the Arab boxed the ears of his better half, whereupon she went again to her father and related her grievance, demanding revenge. The father, a wise old sheik, shook his head and after long reflection boxed his daughter's ears and said: "Now thou art avenged. Thy husband has boxed the ears of my daughter and I have boxed the ears of his wife."
