**Exhibition Cars and Their Part in the Colonization of Unsettled Territory**

First days of Colonist Rates to West bring large numbers of Homeseekers through St. Paul gateway

The Northwest is now welcoming every day new citizens—indirectly the result of the "high cost of living," but directly the cause can be laid at the door of the practical advertising of the Great Northern Railway through the means of its agricultural exhibits in the large Eastern cities, and above all, its traveling exhibition cars, now completing extensive tours throughout the Central and Eastern States.

TYPE OF EXHIBITION CAR SENT OUT BY GREAT NORTHERN RAILWAY, THREE OF WHICH ARE NOW ENROUTE EXPLOITING THE GREAT NORTHWEST.

from fifteen to twenty miles distant, to inspect the car and view the wonderful products of the West.

Report from Morning Sun, Iowa, sent us by E. C. Leedy, General Immigration Agent of the Great Northern at St. Paul, where the Oregon and Montana Car was on February 23rd, reads as follows: "We were met at the station by a large crowd accompanied by the Morning Sun band. Great interest was shown in the exhibits and also at the lecture. As a proof of the results of our lecture, at least twenty people came to us the following morning regarding homesteads in the Northwest. The whole town turned out to visit the car, and the opera house was packed to overflowing at the lecture. I look for a big movement from this place."

Any number of reports similar to the above are on file, we understand, in Mr. Leedy's office in St. Paul, which show in a measure what we, the people of the great West, may expect in the way of new settlers during this spring. We should make ready to welcome these new comers and to extend to them every help in getting located

"It is time," said the speaker, "that we had a moral awakening in this town. Let us gird up our loins. Let us take off our coats. Let us bare our arms. Let us—"

"Hold on now," screamed an angular lady, who was seated near the platform; "if this is to be a moral awakening, don't you dare to propose to take off another thing."—The Lariat.
