Call at Imperial Hotel parlor, Tuesday, Sept. 26 to 4 o'clock, and have Dr. Lowe show you the new glasses. You can see all distances—no lines or seams in the glasses to strain the eye and make you look old. They make you feel young without making you look old. Free demonstration.

Ross Bros. will dig that well. Phone 33a3. 49 pd

Let no one but an educated, skilled, long experienced, exclusive eye sight specialist test and fit glasses to your eyes. Dr. Lowe has the necessary qualifications. Consult him till 4 o'clock, Tuesday, Sept. 26. Scores of references. Twenty years' experience.

CHICKENS FOR SALE—A few extra nice white Leghorn and Plymouth Rock cockerels and pullets. Also several young flocks with mothers. Also fifty laying hens, Brown Leghorn, Black Wyandotte and Plymouth Rock. Write Box 12, Route 3 or phone 5151.

If Dr. Lowe did not have the ability to relieve the nervous disturbances that often result from eye strain, he could not call your attention to these distressing subjects. His glasses are not "cure-alls." They simply relieve the eye strain and if the troubles mentioned are due to eye strain, they cease. If it is a matter of medicine he will send you post haste to a physician. He has worked too long to build up a reputation and give satisfaction, to wipe out all he has gained for temporary profit. Consult Dr. Lowe in Imperial Hotel parlor, Tuesday, Sept. 26, to 4 o'clock.

Notice.
