PACIFIC COLLEGE

The Local Oratorical Contest which occurred last Friday evening was very interesting, especially to the freshmen, whose representatives won both the first and second places. Third place was awarded to Miss Nell Reuter, of the junior class, second to Mr. Walter Wilson, and first to Miss Lucile Davis. Considering the amount of noise the freshmen made they appreciated the honor given them.

Last Saturday evening the College basketball team defeated the Chemawa Indians with a score of 26 to 21. It was a fast game but both teams were inclined to rough it some. Pacific took the

lead at the start, when Parker caged two field baskets in the first three minutes of play. Pacific lead at the end of the first half 18 to 7. In the second half the Indians came back strong and were within three points of the locals when Lewis threw one of those classy shots and pulled Pacific out of immediate danger. The team work of Pacific was all that could be desired, each one of the boys playing a star game. Lewis and Smith were the point getters for Pacific "Lewie" getting 8 and Smith 14. The boys feel greatly elated over their victory, as this is the first time Chemawa has been defeated this year by a league team. Line up: Pacific College—Haworth and Williams, guards; Lewis, center; Parker and Smith, forwards. Chemawa—Talbot, Clemens, and Lynch, guards; Powers, center; Wilcox, Clemens and Jim, forwards. Referee—Blackstone, of McMinnville College.

Never put the children to bed when they are nervous or fretful, nor when you have cross words on your lips. A person's last waking thoughts influence the sleep, so it is imperative that such thoughts be quiet happy ones at bedtime. And do not neglect the little good-night stories.

Mrs. A. E. Kenworthy and little one came in on the 11:20 train Thursday, from Portland and is visiting with relatives.
