Womanly Wisdom.

Add a little boiling water to an omelet to keep it from being tough.

If you grease the inner rim of a kettle its contents will never boil over.

Carry a lead-pencil in your pocket, and date the eggs as you gather them each day.

The range will keep black much longer if you rub the stove over with soap, then apply the blacking. Save all small pieces of soap for this purpose.

Keep your spices in glass bottles with screw tops—such as peanut-butter jars. A glance will tell you the contents, even if marked covers did get mixed.

To keep fish, never put one on top of another. Wring a clean cloth out of cold salt water, wrap the fish separately in this, put them on a dish and keep on ice.

If you feel all run down and despondent, if you are not sleeping well, if you feel as if life were a real burden and that you must consult a doctor, just think it over. Perhaps all you need is to raise your bedroom window at night.

It is a pity that so much extra work accompanies the beautiful spring days. We could enjoy them better if we had more time, and if the spring sewing, house-cleaning, gardening, sitting hens and hatching chickens, were not all needing attention at once.

Rhubarb may be canned in cold water. Use freshly cut stalks, fit them tightly into a thoroughly clean jar and let the water run full force into the jar for fifteen minutes till all the air is excluded, screw on the top while the jar is still under water—see that it is perfectly air-tight—and the contents should keep and be like fresh rhubarb.

As a substitute for hot-water bags in ordinary ailments such as toothache, earache and other minor pains, use common flannel bags made in convenient sizes, with drawstrings. Fill them with hot sand or salt, and they are safer than a cheap rubber bottle, just as efficacious, and much handier to use; keep a half-dozen ready. They are of great help in times of aches and pains

NEWBERG COMMERCIAL CLUB

Purposes For Which the Same is Organized.

Following is a copy of Article 2 of the new Constitution and By-laws.

Sec. 1. The purposes for which this association is formed are to foster, encourage and develop the mercantile, manufacturing, agricultural, horticultural and home interests and resources of the city of Newberg and of Yamhill County; to collect, preserve and circulate useful information concerning the city and county; to forward the improvement of streets, roads, avenues and public parks; to improve and extend our transportation facilities; to aid and encourage the erection of needed public buildings; to encourage the establishment of new manufactories, and the advancement of local improvements; to increase the wealth, industries, influence, trade and population of the said city and county; to promote the general welfare of the inhabitants thereof, and to draw closer together the citizens of Newberg and vicinity in their business and social relations.

You can readily see that the Commercial Club is organized for a purpose, and for a good purpose, and if properly managed should be the pulse of this city of ours; not only of the city but of all the surrounding country. But how are we to make it the pulse of the city unless every property owner and progressive citizen of Newberg and vicinity becomes members of the same, thereby giving to it their financial and moral support.

Let us all get together and do things from now on. At the present time we do not receive an average of two inquiries a week, from the outside for literature or other information, and why? Simply because we have not the necessary funds with which to advertise. If we could carry a half page in the Sunset, or some other good magazine we would soon be receiving inquiries at the rate of from one to twenty-five or more a day. Let us get busy.

I take this opportunity of informing the members of the club, that next Friday evening, April 19, is the next regular meeting of the club, at which time the matter of holding a Fourth of July celebration in Newberg, this year will be taken up. A celebration that will rival, and even surpass any that has ever been held, not only here but in any other place of equal size in the Union.

Jefferson High, of Portland, defeated the college nine at baseball last Saturday, 10 to 2.

Sam Laughlin, of Yamhill, has announced himself to be a receptive candidate for the nomination for representative from Yamhill county on the Republican ticket.

The pipe for the new water mains has arrived and the work of replacing the wooden water mains with steel pipes in the paving district will begin at an early date.

Senator R. M. La Follette addressed a fair sized audience in the city auditorium Tuesday in the interests of his candidacy for the Republican nomination for the presidency. A street platform was erected for the address but the rain drove the speaker and crowd indoors.
