THINKING OF FURNITURE?

Furniture that has a lot to do with your comfort, and everything to do with your pride in your home. You will certainly be judged by your furniture. Buy your furniture carefully

Here is the Best Way to buy it

IN THE FIRST PLACE—You don't want furniture that will soon go to pieces, or furniture that is ugly or that looks just like your neighbor's furniture. Therefore let us show you furniture that is well made, correct in design and exclusive.

SECOND—Select from our immense stock pieces that are comfortable and handsome in themselves and that harmonize with your rooms.

THIRD—Satisfy yourself that our prices are right (if you are in doubt) by comparing them with what others ask.

We have earned the reputation of carrying more furniture of the kind that every woman is proud to own. Naturally, you would prefer to buy this furniture if the prices are no higher than you are asked for the other kind.

All WE ask is a chance to help you make a comparison.

LA GRANDE SECURES MORE BITULITHIC

That the eastern half of the state is keeping step with progress in all ways, is indicated by the character of civic improvement in the leading cities.

The recent award for more bitulithic paving by the city authorities of La Grande, emphasizes the fact that the citizens of these thriving inland cities will be content with none but the best. The award of this contract was made after thorough investigation of the merits of all pavings laid in the Pacific Northwest, a most rigid inspection of the bitulithic paving now in use having failed to disclose a defect, even under the most unfavorable climatic and traffic conditions.

BITULITHIC AWARD FOR LEBANON

Miles of bitulithic paving throughout the Northwest attest the popularity of this economical paving. The recent award made by the city authorities of Lebanon, Oregon, places that city in the list of up-to-date cities which recognize and appreciate the fact that "the best is cheapest" and that durability and economy in paving is a combination that means satisfaction to the taxpayers.

The steady increase in area of bitulithic paving is proof of the fact that the claims of the company for this paving have been proven true, as it withstands the hardest test of climatic and traffic conditions.

DUNDEE

Mrs. Roe Robison returned from Amity last Friday.

Mr. and Mrs. Leon R. Cyr have returned from Hood River where they have been studying the apple business. They will spend a few weeks in Portland before coming to their Red Hill home.

Miss Mamie Pier spent the week end in Portland.

John Egli has rented his place to Edward Billich and with his family left on Wednesday for Florida where he expects to locate. Mr. Egli showed his patriotism by delaying his departure until after election.

Once more the Red Hill children are to be congratulated upon the clean, wholesome character of

their Hallowe'en fun. Nothing more violent has been reported than the attempt to "scare Roe Robison."

A most enjoyable Hallowe'en dancing party was held at Groth Hall on Thursday evening. The hall was appropriately decorated for the occasion and the dancers attired in fancy costume but without masques.

A clock half an hour fast, a watch "in the other vest pocket," and an obstreperous gasoline engine conspired to break down the dignity of our Dundee Mayor on Monday morning. He was seen sprinting for the train at a speed calculated to break an Olympic record and then gaze in wide-eyed astonishment "at the old logging train creeping."

Mrs. I. L. Webber has gone to Ohio to visit friends and relatives.

Mr. and Mrs. R. M. Richardson have gone to Portland to reside.

George Morrison has purchased a farm near Amity where he and his wife will locate at once.

Miss Gertrude Imus, who is teaching at Willamina, spent Sunday in Dundee.

CHEHALEM CENTER

Victor Hendrickson arrived home last Sunday evening after spending a year in Pendleton.

The W. C. T. U. meets next Wednesday afternoon at the home of Mrs. K. L. Tangen. Miss Edith Minchin will be present. It is time for reports so all come.

Miss Edna Everest left last Sunday morning for Dayton to remain some time with relatives.

R. W. Everest has reshingled his residence and also his barn.

Miss Anna Piser is spending some time with her friend, Mrs. Alma Strait.

Mrs. Anna Christen and little ones returned to her home in Tillamook last Friday. She had been spending some time with her sister, Mrs. Alma Strait.

Professor F. L. Strait is in school again, after having an attack of appendicitis. The school is having a fine display of apples, pears and quince this week.

A Hallowe'en party was held at the home of S. W. Childers, in honor of Florence Leloe, by her young friends. The evening was passed very pleasantly in sing-

ing and pulling taffy.

At the call of the Jack-o'-lanterns, the members of Christian Endeavor met at the home of Archie Pickard last Friday night. With chrysanthemum decorations and subdued light of the Jack-o'-lanterns, the guests were received by two stately ghosts. After social greetings the game of fishing was indulged in, everyone there finding their fortune written on a slip of paper. Miss Lillian Perkins sang a solo and Archie Pickard gave the number, "Widder Spriggin's Daughter." Soon the little company journeyed to the home of Miss Nancy Atkinson and S. W. Atkinson. Here they were greeted by a real "Puss in Boots," who declaimed that if they would climb the magic stairs which ascended to the roof of the front porch of the Atkinson home, thence through a small attic window into the witch chamber, there they could read their future fortunes (or misfortunes) as Mademoiselle Zola Zingari Sibyl Perseus, the famous soothsayer, and also Pythian necromancer, told each and every one their future as she read it from the palm of the hand. Every one became hilarious at the descent into the chamber and had a jolly good time over the fortune telling and blowing out the candles. Then all passed down stairs to the parlor, where a lunch, consisting of sandwiches and chocolate, was served and greatly enjoyed. Those who felt that they could, still followed the call of the Jack-o'-lanterns to the home of Rev. and Mrs. Walter Wilson, here spending a very pleasant hour in solving puzzles and riddles and repeating in concert certain chapters of the Bible. The kind hostess passed two great platters of candy around, which was promptly made way with. At a late hour they dispersed, voting the social a decided success.
