ANNUAL INTER-COLLEGIATE CONTEST

State Oratorical Association Celebrates Twentieth Anniversary at Newberg.

On Friday night of this week the citizens of Newberg will have the opportunity of attending the State Inter-Collegiate Oratorical Contest and entertaining the associations' delegates for the third time in its history.

Just twenty years ago the first contest was held in Salem, when Prof. Amos C. Stanbrough, now city superintendent of schools, represented Pacific College and won for her the first honors. It is needless to say that Mr. Stanbrough was the hero of the hour. P. C. has won several like victories since but none have so thrilled its supporters as the one mentioned when it was flashed over the wires to the waiting enthusiasts that P. C., the smallest college in the association, had won the first victory.

The contest comes to Newberg once in eight years. Its first appearance here was in 1897, when Pacific was represented by Miss Sarah Bond, now Mrs. Herbert T. Cash. In 1905 it came to Newberg for the second time and was won by Walter R. Miles, who afterward won the National Prohibition Contest.

Among those who have represented P. C. during the twenty contest years are: Prof. Stanbrough, Gertrude Lamb White, Harry F. Allen, Lyda J. Hanson, Sarah Bond Cash, Walter C. Woodward, Grace Ruth Burrows, Elwood S. Minchin, Nerva Wright Parker, Lucy Gause Newby, Aubrey Kramien, Walter R. Miles, Paul V. Maris, Katherine Romig, Harry Maxfield, Haines Burgess, Claud Newlin, Florence Rees and Lucile Davis. On Friday night the representative will be Meade G. Elliott, son of Mr. and Mrs. M. P. Elliott. The evening's program, given in Wood-Mar hall, will be as follows:

2. Oration—"The Peril of Democracy" Meade G. Elliott, Pacific College
3. Oration—"Un-guarded Gates" Howard Zimmerman, U. of O.
4. Oration—"A Neglected Friend" Miss Jennie Tilford, Albany College

Following the program the delegates, contestants and others numbering about a hundred and fifty, will retire to the Odd Fellows Hall, where a six course banquet will be given by Pacific College.

INTEREST IN NATURAL HISTORY

The universal interest in natural history and big game has given an advance call for Selig's latest and most potent pictorial production. "Kings of the Forest," in a way that has surprised the most optimistic concerned. One thing that has helped the effort is the knowledge begotten through success of the Selig Poly-scope Company in the producing of animal plays, experience having become a practical fact in most realistic results. The new departure, "Kings of the Forest," is said to have eclipsed their other big picture plays in which wild animals have been successfully introduced and admirably envolved. This picture has been secured by the Star Theatre and will be exhibited on Friday and Saturday, March 14th and 15th.

COLLEGE CLIPPINGS

Preparations are rapidly nearing completion for the Annual State Oratorical Contest to be held in Wood-Mar Hall, Friday, March 14, at 8 p. m. The local committees are assured of the presence of over a hundred representatives from the visiting colleges, and are ready to handle the event with ease and dispatch. The faculty has declared a holiday for the day. Come early and hear the enthusiastic committees let off steam. Admission 50 cents.

Several members of the faculty and student body attended the C. E. Conference for Multnomah and surrounding counties, held in Portland Thursday and Friday of last week. Among other delegates were Pres. Pennington, Prof. and Mrs. Johnson, Mr. and Mrs. York, the Misses De Bord, Ramsey, Hodgins and Myers, and Messrs. Lewis and Sanders.

Last Friday afternoon, just after the close of school, the try-out was held for places on the local debating team. There were five contestants who attempted to settle definitely the question as to whether or not capital punishment should be abolished in Oregon. The team which was chosen to defend the negative of this proposition against Albany and McMinnville Colleges consists of Arthur George and Ellis Pickett, with Rae Langworthy as alternate.

The chapel service on Monday morning was in charge of Rev. Arthur Dann and wife, evangelists from London, England. Mr. Dann addressed the students again on Tuesday and Wednesday morning, the latter being a joint session of the Y. M. C. A. and the Y. W. C. A. Private conferences were held each day following the chapel hour.

BAPTIST SPELLING SCHOOL

The spelling school held in the basement of the Baptist church on the evening of March 6 was a success both socially and financially.

The attendance was good and a great interest shown in the spelling. After a close contest the first prize, a beautiful little book of poems by the best authors, was awarded Mrs. Everett White. For the second prize, a dainty box of stationery was carried off by Mrs. Anna Jones. Thanks are due Mr. Woodward for the McGuffey's speller and also Mrs. Fairbanks for the Watson speller from which the words were pronounced.

After the contest a social hour was spent. A Speller.

SCHOOL NOTES

Furnished by the Superintendent And Supervisor

Although last Saturday, March 8th, was a splendid day for farm work, the farmers of districts 46, 47, 13 and 14 showed their intense interest in the schools by coming to the rally at Masonville in large numbers. The beautiful and commodious building was crowded early in the day, and an interesting and instructive program was rendered.

The pupils and teachers of the schools mentioned gave a splendid literary entertainment and Mrs. Nission, Mrs. Miller, Mrs. Jones, and Charles Gilson, the principal of Masonville, gave interesting talks on subjects of vital importance to the schools.

Prof. Wilson, principal of the McMinnville High School, gave a splendid address on "The Scope and Purpose of the Rural School," and Pres. Pennington, of Pacific College, treated "Industrial Education" in a sensible and conservative manner.

Mr. Mason, a senior from McMinnville College, gave several readings that were well appreciated.

Mr. Anderson, a patron of No. 13, gave an exhibition of Indian club swinging that showed great skill on the part of the manipulator.

A veritable banquet was served at the noon hour, as is usual on these occasions.

Many patrons, who said they were loath to leave their fields to attend the meeting, expressed themselves enthusiastically on leaving, and declared that they fully believed such gatherings would result in lasting good to the schools of the county.

The next rally will be in Happy Valley, March 15. Many schools where rallies have already been held are asking us to hold another, but it will probably be impossible to more than finish covering the county this year. We are indeed glad to know that the people think the meetings are worth the efforts that are being expended.

PROHIBITION CONTEST

Next week will offer another treat to the lovers of oratory, when the contestants for the position of representative of Pacific College in the State Prohibition Contest meet at Wood-Mar Hall to decide the question. The contest will occur Friday evening, March 21, and the competition is very keen. The college male quartet will furnish music, and a fee of twenty-five cents will be asked to help defray the expenses of the contest, the prize that is offered and the expenses of sending the representative of the college to Eugene, where the state contest is to be held.

Following are the subjects of the orations that are to be given with the names of the orators: "The Tree of Death," Ellis Pickett; "The Modern Goliath," Walter H. Wilson; "Between the Lines," Lisle Hubbard; "The Fear of a Wasted Vote," Rae S. Langworthy; "The Devil's Siamese Twins," Harry H. Hawthorth.

COLLEGE MUSIC RECITALS

You are invited to attend two public music recitals on Monday night, March 17, and Monday night, March 24, respectively. Time 8 o'clock. No admission fee charged. Wood-Mar Hall.

MARKET REPORT

Made by Secretary Plummer, Portland Union Stock Yards.

Receipts for the week have been; cattle 1204; calves 9; hogs 2544; sheep 3348; horses 20.

Cattle liquidation has been comparatively liberal this week but steers were the only class which showed steadiness. Nearly all steer offerings graded a shade short of prime, selling \$7.75 down to \$7.25, with one small lot at 8.00. Tops are considered steady at \$7.70 to \$7.75. Butcher stock has been slow due to lack of quality but demand is not very broad for the best. Although an urgent call for prime calves rules, receipts have been insignificant. A good bull trade at steady prices shared butcher division activity with cows. Generally the cattle market is steady with downward tendency.

The hog market is rapidly advancing to the \$9.00 level of two years ago. Thursday's run contained several loads of prime light swine and they all brought 8.75 bids from anxious buyers. Week's total gain has been approximately 50 cents. Receipts have been light and demand firm. Portland is again the highest hog market in the country.

The sheep house furnished several surprises this week. Mutton and lamb markets have been shaky for the last fortnight and the sudden activity this week upset all calculations. Killers showed they could be induced to bid for prime yearlings, ewes and lambs. They at least gave top prices for several cars \$6.25 to \$6.35, for yearlings, \$5.25 for ewes, \$7.00 and \$7.25 for lambs. Packers were evidently caught short-handed and as the annual spring run of sheared stock is slow coming they grasped the opportunity to get a temporary surplus. The result being a seller's market, which weakened toward the close. Market basis is unsteady.

GOVERNMENT TESTS FRIEDMAN'S "CURE"

New York.—In a 30-minute clinic Dr. Friedmann's vaccine which he asserted is a cure for tuberculosis, was tested in the presence of United States government officials. The seven cases treated are to remain under government inspection and upon their development will depend the official report.

It was announced that Dr. Friedmann had furnished the federal representatives with specimens of his bacilli culture and that the clinical observations would continue to be made by them.

The inoculation followed a long consultation between Dr. Friedmann and the government surgeons and more than an hour of study of the history of the prospective patients.

The seven persons to be treated, all adults, were brought in from various wards of the hospital where they were patients, and one by one given injections of the vaccine.

White House to Be "Dry."

Washington.—It is said that the Wilson-Marshall administration will be a "white-ribbon" affair, with no wines or liquors served at any entertainment. Not only do the president and Mrs. Wilson and their daughters bar the sparkling cup, but so also do vice President and Mrs. Marshall, Mr. and Mrs. Bryan and other members of the cabinet.

SUFFRAGISTS ANNOY KING

Women Brandish Beribboned Petitions And Are Huddled to Jail

London.—Fears lest the militant suffragettes might annoy King George and Queen Mary and create a disturbance made the royal opening of Parliament and the procession thereto from the palace, an occasion charged with nervousness. Nor were such anticipations groundless.

Five women attempted to break through the cordon of troops while the royal procession was traversing St. James' Park, with the intention of throwing petitions into the state coach. They carried the petitions in rolls tied in the suffragette colors and brandished them enthusiastically. It is doubted, however, if the king and queen saw the performance. The police pounced upon the women quickly, before they could get through the line of soldiers, and led them to jail, an enormous jeering crowd following in their wake.

Idaho Man Shoots Three

Grangeville, Idaho.—Clarence Walker shot and fatally wounded Miss Helen Beck, wounded the girl's mother Mrs. Sophia Beck, and Marshal William Brown, then thrust the revolver in his mouth and shot himself through the head, dying instantly.
