WORDS OF APPRECIATION BY W. R. C.

We, the members of the local W. R. C., take pleasure in expressing our thanks to the people of Newberg in general and especially to churches, societies, Commercial Club, Civic Improvement Club, and the many individuals who so kindly opened their homes and materially aided in entertaining the visiting G. A. R. and W. R. C. members during the state Encampment lately held here. The system suggested and carried out by the committees from the clubs worked admirably and called forth many expressions of approval from visitors. Words are cold fruit and fail to express our heartfelt appreciation. Thanks to you all. From local W. R. C. through their committees on reception and entertainment.

PROFUSION OF THANKS

The ladies of Shiloh W. R. C. No. 28, Newberg, wish to express their gratitude to the pastors who gave such interesting and instructive addresses to the members of Shiloh Post and Corps on Mothers Day, Memorial Sunday and Memorial or Decoration Day. Respectively as follows: Rev. Arthur Palmer, Rev. W. Skipworth and Rev. C. O. Whitely, and to the ladies of the W. C. T. U. for the bouquet of pansies given each of Post and Corps, and to those furnishing special music, and to all for their courtesies and kindly feeling. That this feeble expression of sincere thanks has not been printed before, is due to the neglect of the Press Cor. who is new in the work. Mrs. Etta Moore, Press Cor.

THE G. A. R. LADIES

Mr. Editor: It was the G. A. R. Ladies and not the W. R. C. who presented the picture of Lincoln to the public school. The G. A. R. ladies are the mothers, wives, sisters, daughters and nieces of soldiers, sailors and marines of the war of the rebellion, and army nurses who have formed themselves into a permanent organization for the relief of families of those who fought in defense of their country. Ladies to become members of our circle must be blood relatives of those who fought in the rebellion. I want to say that Blackmar Circle, of Portland, has the honor of having two members who are mothers of soldiers who fought in the war of 1861-1865. Since we were not mentioned in write up in which an expression of thanks was tendered the good people of Newberg, we take this opportunity of expressing our thanks for the splendid treatment we received while in your city. A G. A. R. Lady.

TO THE PEOPLE OF NEWBERG

We, the committee, having charge of arrangements for holding the 32nd annual Encampment of Oregon, Grand Army of the Republic, hereby tender our cordial thanks to the people of Newberg for the universal patriotic display made by them, and for the cheerful manner in which they threw open their homes and made welcome our

friends and comrades.

And especially we wish to thank the Commercial club, and the Civic Improvement club, and the several committees for their assistance, and for the cordial manner in which they co-operated with us in carrying out the plans for the entertainment of our visitors, and making the meeting the most successful in the history of this department, and one that will ever be remembered with pleasure by all who attended it.

A. Bartholomew,

DUNDEE

Mr. and Mrs. H. T. Prince have moved back to Dundee.

Mrs. John Edwards and Mrs. Roy Robertson are spending a few days in Portland where Mrs. Robertson is receiving treatment for her eyes which are in a serious condition following an acute attack of neuralgia.

Grandma Keiling is spending a few weeks at her son's home in Newberg.

Mrs. Koe Robison went to Portland on Wednesday to attend the annual Encampment of the Seventh Day Adventists and to visit her daughter.

Mrs. Ezra Oepphant, of Dayton, is a guest at the Keyes home.

Mr. F. T. Keyes and family have returned from an extended visit with relatives in Salem.

Groth Hall on Tuesday was the scene of a very enthusiastic meeting of the ladies of Dundee. There were thirty-three present and all expressed a desire to form some kind of a neighborhood club for the study of current events and topics of the day, and for the purpose of giving help to any movement for civic or community interest. Miss Ida Mae Smith, county supervisor of schools, was present and gave a very interesting talk on the work of the neighborhood clubs of Yamhill county. Dainty refreshments were served followed by a short business meeting. It was decided to meet two weeks in the future, Tuesday, the eighth of July, to effect a permanent organization. All ladies of the vicinity and their daughters are cordially invited to bring their sewing and attend.

PENDLETON REFUSES TO EXPERIMENT WITH PAVING

After deciding to lay many blocks of paving, the city of Pendleton further decided not to experiment with something new in the paving line but to stick to bitulithic which has shown itself to be all that can be desired of a paving material.

Bitulithic is clean, smooth and noiseless. It is durable and lasting. Tax-payers are in favor of it because wherever used it has shown itself to be economical in up-keep.

BRIEF NEWS OF OREGON

Wool sales at Condon aggregated 700,000 pounds, at prices ranging from 10 1/2 to 14 7/8 cents.

Thieves broke into the clothing store of John Anderson in Forest Grove and made away with about 50 suits valued at over \$700.

The farmers of Ashland have perfected a producers' association, and the question of establishing a public market there is being canvassed.

Accused of tying a bunch of straw to a horse's tail and setting fire to it, at St. Johns, Otto Russell was fined \$10 and costs for cruelty to animals.

Judge M. C. George was elected president of the Sons and Daughters of Oregon Pioneers, at the annual meeting at Portland.

Jay H. Upton, of Portland, was elected department commander of the United Spanish War Veterans and Salem was chosen as the place of next meeting.

By an oversight in enacting a new law dealing with conditions that were disclosed by Portland's vice clique scandal the defendants in these cases will go unpunished.

The county court has appropriated \$750 to be used in defraying the expense of assembling a creditable exhibit of Douglas county products at the state fair at Salem in September.

A Wallowa county grand jury has reported that two drug stores in the "dry" district at Enterprise have filled during 10 months 10,700 prescriptions for intoxicating liquors, or an aggregate of over 2000 gallons.

According to a report of the state market inspector filed at Roseburg, the Oregon Soldiers' Home scored 97.5 out of a possible 100. The inspector says this is the highest score recorded by any state institution in Oregon.

Guarded by three forts and strings of electrically controlled mines which extend from the Oregon to Washington shores, defenses at the mouth of the Columbia are considered as good as any which protect the harbors of the United States.

The Oregon Bankers' association session at Corvallis, elected W. L. Thompson of Pendleton as president for the ensuing year. The bankers decided to cooperate in the movement toward securing large tracts of land for colonization purposes.

Governor West has appointed Ernest Ringo, a Salem lawyer, special agent and prosecutor for the governor's office, under a law passed many years ago. A law passed at the last session appropriated \$1000 a year for the work.

A solid gold nugget worth \$1500 was panned by George Armstrong and Richard Staunton on their Dutch Gulch placer claim three miles from Susanville and 60 miles from Baker. It is thought to be the largest nugget ever found in the northwest.

The first apportionment made by the state under laws passed by the last legislature was received by County Treasurer Lewis. The apportionment amounts to \$10,173.46 and is to be used by the agricultural society which has charge of the annual county fair in Multnomah county.

Arguments were heard in the supreme court in the suit brought by L. H. McMahan, a Salem lawyer, to restrain Secretary of State Olcott and State Treasurer Kay from expending \$450,000 appropriated by the legislature for the reclamation of lands in the Columbia Southern project.

No longer will producers be able to market their fruits in Oregon under misleading labels, if the efforts of State Dairy and Food Commissioner Mieskie avail. This official has begun action to eliminate this bad feature of the trade in an effort to aid the grower who puts up an honest pack.

Lizzie Clark has brought suit at Hillsboro against Hare & Glikerson, sawmill men of Manning, to recover \$15,000 damages. The plaintiff is a cook, and complains that she was buried in the debris of a tree which the defendants' workmen felled across a cookhouse which she occupied. She alleges that she was permanently disabled, and may lose her eyesight as a result of her injuries.

To make a study of the mineral resources of Oregon and induce capital to develop them, is the object of a bill passed by the legislature creating the Oregon Bureau of Mines and Geology, and the prediction is made that it will increase the elemental wealth of the

state by millions of dollars, for estimates place the value on the importations of clay products alone at \$5,000,000 annually, and the importations of cement, building stone and other building materials also run into millions yearly.

A synopsis of the game and fish laws of the state of Oregon has been issued by William L. Finley, state fish and game warden. The pamphlets will be distributed among the gun stores throughout the city and state. Will G. Steel, who will take up the office of superintendent of Crater Lake Park on July 1, will work in conjunction with Mr. Finley in making Crater Lake Park a big game refuge as well as a place of scenic beauty. An effort will be made to get a number of European birds into the park.

Night Fishing is Target.

Astoria.—With the avowed object of putting a stop to night fishing for trout in the various streams in the county, an organization of 200 sportsmen of this city and vicinity has been formed and each member has been appointed a deputy game warden to serve without pay but with authority to arrest offenders. Some of the best trout streams in this district have been practically ruined by the night fishers, who build large bonfires adjacent to some of the deep pools and as the fish attracted by the light rush in, they are slaughtered by the whole sale.
