You men who live on the farm have got to be heavy workers. And if you are heavy workers you require heavy sleep and lots of it.

For heavy sleep is heavy work's reaction and it's not always easy for the heavy sleeper to get up without help.

That's where Big Ben comes in. He makes it easy every morning.

Big Ben is a truth-telling and reliable alarm clock.

He gets you up, he never fails.

You're always up on the dot if he's in the sleeping room.

See him in my window next time you come to town. Hear him greet you Good Morning. He is well worth meeting, indeed.
