OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

Union County Prosperous.

La Grande.—Five hundred carloads of apples, 1200 tons of cherries, four trainloads of potatoes, 80,000 feet of lumber, great numbers of cars of horses, cattle and hogs, and 1,500,000 bushels of wheat form an industrial procession which is moving to the market from Union county. This county has been in extremely fortunate circumstances this year for fair prices have been realized on every product of the soil. Records have been set this year for wheat, cherries, hogs and cattle.

Jail Is Boarding House.

Salem.—Declaring that it was necessary for the man to have plenty to eat for a few days to build up his health, Police Judge Elgin sentenced J. E. Adkins, charged with obtaining a meal at a restaurant and not paying for it, to serve a sentence of five days in jail. The prisoner was thankful for the sentence, and announced that he was almost starved when, in his desperation, he ordered the meal at the restaurant.

Tragedy of Fighting Deer.

Ashland.—Trappers on Lick creek, in this county, recently came across a strange find in the way of two deer with horns interlocked, one of them a six-point buck and the other a five-pointer. The six-point animal was dead, and its carcass was being dragged about by the other one, appearances indicating that the larger deer of the two had been dead several days.

Will Seek Gold Dust.

Phoenix.—The Forbes company has secured leases from the owners of the flats along Bear creek, from Phoenix to Talent, for the purpose of washing the sand for gold. Work will begin in a few days, and will be watched with interest, as it was in this vicinity that rich gold deposits were found in 1849. The developing company is said to be well financed.

FAIRS TO BE INSTRUCTIVE

State Superintendent of Public Instruction Calls Conference.

Salem.—With the object of making the educational features of the county fairs more prominent, State Superintendent of Public Instruction Churchill, general director of the industrial school fairs of the state, called a meeting of secretaries of county fairs, school supervisors and all persons interested in the proposition Friday at the capitol. The action was taken by Mr. Churchill because of many requests that he take the lead in calling the conference, inasmuch as his department had charge of one of the most important features of the fairs.

A movement has been on foot for some time to enlarge the scope of the exhibitions and make the educational features more important than racing and carnival attractions.

Merchant Gets "Black Hand" Card.

Copperfield.—A postcard picture of a "black hand" and a bomb, inscribed "will soon get you," was received by Samuel Aklin, merchant of this place. Aklin was one of those who refused to sign the petition asking Governor West to close the saloons here. Peace officers are inclined to the belief that the card was sent entirely as a jest.

Douglas Has Good Corn Crop.

Myrtle Creek.—The excellent corn crop grown in southern Douglas county during the past year, together with the showing made by Douglas county at the state fair and the Chicago land show has awakened interest anew in corn growing among our farmers.

Justice Joins Wife Beater.

Oregon City.—In the same cell with S. W. Moore, the man he sentenced to jail for six months for being drunk and beating his wife, George Bigham, justice of the peace at Oak Grove, faced a charge identical with the one for which Moore is completing the fifth month of a six months' sentence.

Indian Falls in Barrel and Drowns.

Pendleton.—While drunk and numbed with cold, Julius Williams, a well-known member of Walla Walla tribe of Indians, slipped and fell headlong into a barrel of water near the O-W. R. & N. track.

Grave of Asahel Bush Guarded.

Salem.—Fearing that ghouls would attempt to steal the body of the late Asahel Bush, a millionaire banker, and hold it for ransom, relatives have caused a watch by day and night to be placed at the vault.

Frame Houses.

The life of a frame house depends in a measure upon the quality of the material used in its construction. Some houses built twenty years ago are better investments today than many dwellings put up recently. Tests have shown that some old woods are stronger than new. With age, wood undergoes a hardening process. There is one sure way to determine whether the structure of a frame house is really deteriorating. Look at one of the beams supporting the walls on the foundation. You may have to knock away a bit of plaster to expose the beam. But, as likely as not, you will find it exposed in some place in the cellar, and that will tell the tale.—Good House-keeping.

The Python.

Contrary to general belief, the python or boa constrictor rarely attacks people and is looked upon very differently by the people from the hamadryad and cobra. The python will take up his abode in a neighborhood and will not disturb anything except the henroosts. These he disturbs very much, as he has a great fondness for chickens; also for a stray dog or small goat. I know of one case, however, where a python attacked a woman and, contrary to the preconceived idea, did not crush her in his folds, but attempted to swallow her, commencing with one of her feet. When rescued her foot and ankle were badly lacerated by the snake's teeth.—Medical Journal.

MOYER SHOT AS HE IS BEING DEPORTED

President of Western Federation of Miners Is Cowardly Attacked at Calumet.

Calumet, Mich.—The deportation of Charles H. Moyer, president of the Western Federation of Miners and leading the copper miners' strike, who was escorted from Hancock after being shot and clubbed, will be investigated by the special grand jury when it resumes its sessions.

Moyer, who reached Chicago with a bullet wound from which, however, he seemed to be suffering little or no pain, told of having been clubbed and shot by the committee that deported him.

He said that James McNaughton, manager of the Calumet & Hecla mine, passed the "mob" in an auto and was at the station when they arrived. He also charged that the sheriff knew of the plan to deport him.

Chicago, Ill.—Charles H. Moyer, president of the Western Federation of Miners, and now the central figure of the copper miners' strike in the Calumet region, who arrived in Chicago with a graphic account of dramatic incidents, in which he declares he was shot, mobbed and deported from the copper district, collapsed soon after his arrival, as the result of his wounds and was taken to St. Luke's hospital. There is only the most remote chance that the wound in Moyer's back will prove fatal.

MINERS BURY THEIR DEAD

Bodies Borne By Marchers; Thousands Form Spectacle of Grief.

Calumet, Mich.—The Western Federation of Miners buried its dead. Fifty-nine bodies, including those of 44 children, were carried through the streets down a winding country highway and laid in graves in a snow-shrouded cemetery within sight of Lake Superior.

Thousands of saddened miners formed the escort of the funeral parties and passed between other thousands who as spectators testified to the grief that has oppressed the community since 72 men, women and children were killed in the Christmas eve panic in Italian hall.

Want Michigan Strike Investigated.

Chicago.—An appeal to congress to investigate conditions in the copper country of Michigan was made by the Chicago Federation of Labor in resolutions which directly charged owners of the mines and their agents with being responsible for the tragedy of Christmas eve, when 72 children and adults lost their lives.

YOUTHFUL BANDIT IS SENTENCED TO DIE

Los Angeles, Cal.—John Bostick, "the El Monte bandit," pleaded guilty in the superior court to the murder of Traveling Passenger Agent Horace E. Montague and was sentenced to be hanged.

He will be taken to San Quentin penitentiary within 10 days. The death penalty, according to the sentence passed by Judge Gavin W. Craig must be inflicted within 90 days.

The crime for which Bostick, who is but 22 years old, must hang, was committed on the night of December 1. He boarded the Southern Pacific's Sunset Express at Pomona, held up the passengers of the rear Pullman and shot and killed Montague, who he thought was about to resist.

Arthur Cole and his bride, of San Francisco, were responsible for the bandit's capture December 22. The Cole's, returning on the express from their wedding trip, were robbed by the bandit. While Christmas shopping on Mission street, in San Francisco, they saw Bostick. They left the car and trailed him for half an hour.

State Labor Head Threatens Arrest.

Salem, Or.—Declaring that he believed the recent opinion of the supreme court placed all employees of state institutions under the application of the eight-hour law, Labor Commissioner Hoff said that he would have members of the state board of control arrested, if it became necessary, to obtain a comprehensive adjudication of the proposition. The members of the board are Governor West, Secretary of State Olcott and State Treasurer Kay.

City Clear Quarter Million on Carline.

San Francisco.—The public works board decided that when the city finishes its first year's operation of the Geary street carline its profits will have reached nearly \$250,000.

Christiania Bishop Dies.

Christiania, Nor.—The Right Rev. Anton Christian Bang, bishop of Christiania and primate of the Norwegian Church is dead. He was born in 1840.

NEW YEAR'S RESOLUTIONS

Whenever I see anyone coming my way with a gold brick in his hand I'm going to beat it. It ain't for me. You can't get somethin' for nothin' in this old world.

I'm steering clear of the fellers what sells my neighbor goods with a big discount and soaks the price on me to even up. Si ain't no fool. Discount is good stuff, but it won't pay bills, one has to dig up the coin. If it ain't your neighbor it's you.

I'm spending my money in 1914 with business men that have one price for me and my neighbor, Bill Jones but of course that's got to be the right price alright. Si studies his catalogs about as much as he does the Bible and that's more than some of you fellers think.

I'm trusting my hardware and implement business with the boys at 'The Big Hdwe. Store' in 1914. They played the game on the dead square with me and all my neighbors in 1913, they'll do it again.

I'm using John Dere implements all the way through because I've found them to be the best for the money.

I'm buying only standard lines of merchandise that have made a reputation for themselves by years of service. That's the kind the boys at 'The Big Hdwe. Store' will sell to you.

Now you may think old Si is a fool and it don't pay to make resolutions for New Year, but I ain't lived all these here years for nothing, and it does pay to assemble all yer gray matter and experience together and set out the New Year with a good ideal before you—but you want to be sure your resolving good stuff or you'll go to the bad.

I was in town the day after Christmas gettin' some Rexall pills to help digest that big dinner I ate the day before, and I stepped into the Hdwe. Store and the boys wish't me a Happy New Year, and made me feel so much to home that I set around their old stove fer about half a day, and take it from old Si, you'll travel till your old and gray lookin' for a better place to trade or spend your time when your' in town.

Larkin-Prince are the boys.

For Sale—Six new kinds Japanese peach plants, two years old. Cling stone and free stone. Ten cents each, \$8 per hundred. Kestrel Co., Rex, Oregon, P. O. Box 18, Phone Blue 179. 2-13 pd.

Drs. Lowe and Turner, the well known eye specialist, of Portland, will be at Imperial hotel again Thursday, Jan. 8, up to 4 o'clock. Don't fail to consult them about your eyes and glasses. Lenses do not wear out, but eyes do. Every part of the body changes with advancing years, and our eyes in common with the rest of our physical being show the effect of age. We must therefore meet the changed condition of the eyes. The glasses that you bought two or three years ago are not giving your eyes the proper assistance. As your eyes are wearing out year by year, lenses should be changed to correspond with your changing vision. Come and let us talk it over with you. Don't forget the date.

Notice of Final Settlement.

In the Matter of the Estate of N. G. Kirk, deceased. Notice is hereby given that the undersigned administrator of the estate of N. G. Kirk, deceased, has filed his final account as such administrator with the clerk of the County Court of the state of Oregon for Yamhill county and the said court has fixed Monday, the 2nd day of February, 1914, at the hour of 10 o'clock in the forenoon as the time, and the county court room in the court house in McMinnville, Yamhill county, Oregon, as the place for hearing any and all objections to the said account and for settlement thereof. Dated this 1st day of January, 1914. R. W. Kirk, Administrator of the Estate of N. G. Kirk, deceased.
