CANDIDATES CARDS

For State Senator.

In announcing my candidacy for state senator on the republican ticket, I favor the following:

1. Amending the tax law so as to provide for two equal payments—first of May and first of November—without penalty or interest on the second half if first half is paid.

2. Consolidation of some of the state commissions, but believe the state tax commission is a valuable and necessary commission.

3. All bills should be considered strictly on their merits, and will oppose log-rolling tactics and playing party politics to the detriment of tax payers.

4. Will not favor any salary increases unless the same be submitted to the voters for their approval.

5. Submitting to the voters a constitutional amendment convening the legislature every four years instead of biennially.

6. All laws that have for their purpose the betterment of the moral conditions of the people.

If I am nominated and elected, I favor a progressive and business-like administration with due regard to the interest of the taxpayer.

Sam Laughlin,
26-pd adv Yamhill, Oregon.

For State Senator.

Roy Graves

County instead of state tax on automobiles.

Amendment of tax law providing for one-third payable in April and two-thirds payment in October.

For State Senator.

If nominated at the primary election, the coming May, as a republican, for the office of state senator, for Yamhill county, and elected, I will endeavor to serve the people as a whole, to the best of my ability, and strive for lower taxes, payable semi-annually, and the abolishment of unnecessary commissions.

25-pd adv W. T. Vinton.

For Representative

of the Thirteenth District, including Yamhill county.

I am an Oregonian by birth, Marion county being my former home. I have resided in Yamhill county for twelve years and am a graduate of Oregon Agricultural College, and am now extensively engaged in farming south of McMinnville and near Bellevue.

If elected, I will stand for lower taxes, payable semi-annually, and rigid economy.

I favor amending the automo-

bile license tax law, making the license tax payable to the county clerk of the county in which the automobile is registered and apply this money for road purposes.

I am a firm believer in popular government, and will at all times work for the people's interests. I am opposed to laws creating commissions and large salaries.

Very respectfully,

Francis L. Michelbook.
25-Pd adv

For Circuit Judge.

I am a candidate for the republican nomination to the office of Circuit Judge of this district. If nominated and elected, I shall keep uppermost in my mind that justice is the ultimate end in view. All I ask is an opportunity to make good.

Pd adv Harry H. Belt.

Republican Candidate for County Judge.

J. B. DODSON

To the voters of Yamhill County:

I am forty-three years old, for twenty-six years have lived in Yamhill county, and now reside at McMinnville where I own my home and other property interests. I have lived on a farm for thirty years and for twenty years successfully conducted farming and threshing machine operations in Yamhill county. I am acquainted with the farmers' needs and am familiar with the use of machinery, have practical knowledge of road and bridge work and have been specially trained in business methods. I am a graduate from McMinnville College and also the University of Oregon, am a member of the Oregon Bar and for nearly four years have been actively engaged in the practice of law, and am now serving my third year as City Attorney for McMinnville.

If elected, I will devote my time to the work of the County. During my incumbency, I will fairly represent every district in the County without favor to person or locality, and will stand unalterably for honesty in office, for business-like methods in doing county business, for common sense in the administration of the law, and for honest value to the tax-payers for every dollar expended.

Very respectfully,
J. B. DODSON.

For County Judge.

I will be a candidate for the office of County Judge on the Republican ticket at the Primaries, May 15, 1914. If nominated and elected I will devote my entire time to the office and the interests of Yamhill County.

J. W. Bones, Carlton, Oregon.
Pd. Adv.

For County Judge.

I hereby announce my candidacy for County Judge of Yamhill County, subject to the approval of the voters at the Republican Primary in May. I have grown to manhood in Yamhill County and have its development and the welfare of its people at heart. If elected I will serve only the interests of Yamhill County and its Citizens.

Roy R. Hewitt

For County Treasurer.

G. G. Shirley

Mr. Shirley, who is seeking the nomination on the republican ticket for county treasurer, is a man of wide experience in employments which especially equip him for competency in positions of trust. He has done much accounting in general office work, in stores, canneries and banks; has been, and still is, a practical farmer. He has made a success of the lines of business in which he has engaged. This fact alone counts much with the thinking people when they are called upon to select one to fill a place of judiciary importance to all residents of the county. They wish the public funds to be handled by careful and safe hands—by one who places the office of treasurer on a high plane of dignified trust. He is a native of this state, his birthplace being in Clackamas county. His parents were pioneers of 1847, and crossed the plains by ox train. Mr. Shirley is a son-in-law of G. C. Litchfield, who is so well known throughout the county, having been in business at Grand Ronde for thirty years. A vote for Mr. Shirley will not be misplaced.

26-pd adv

For County Treasurer.

Henry O. Miller

Has been actively engaged in the practice of law for nearly three years, at McMinnville where he owns a home and other property interests. Favors an economical and efficient administration of the treasurer's office.
