MILLER'S BIG BARGAIN STORE

In this big store of bargains you will find the most varied assortment of first class merc
such as Suits, Hats, Shoes, Sox, Underwear, Ties, Etc., but you will also find everything for women and children

EVERYTHING—FOR—MEN,—

JUST A WORD.

We want to have a thorough understanding with the public regarding this sale, and we want the public to have a thorough understanding as to what we mean when we say **BANKRUPT STOCK**. Many people have the idea that a Bankrupt stock is a lot of junk that is thrown on the market by a merchant to unload at any old price it will bring, however, such is not the case in this instance. Everybody in Newberg and vicinity knows the reputation of the Hodson Bros. Stock. It is one of the cleanest and most up to date stocks in Newberg, and the failure of that concern to meet it's obligations, gave us the opportunity to buy the stock at a ridiculously low price. The stock of the Beaver Department Store, of Eugene was also a very high grade stock of dry goods and shoes for women and children. We bought this stock at an exceptionally low price also, and we have combined the two in order to dispose of them in a more advantageous manner, and with a minimum expense, **MILLER'S BIG DEPARTMENT STORE**, in the Edwards building, will be the center of the greatest sale ever held in this territory, and the same old honesty policy that has made Miller famous will be maintained. Anything you buy here carries our personal guarantee, and if at any time you buy any article in this store that is not perfectly satisfactory in any respect, **BRING IT BACK, AND WE WILL MAKE IT RIGHT.**

Don't make any arrangements for the opening day of this

Something Doin'

The Big Sale still continues at the Miller Mercantile Company's main store. Beginning Friday, June 18th, we are making some special offers in the main store that outrival the phenomenal values that we have been offering for the past few weeks. Everything has been rearranged and there are surprises on every turn. Not a single article has been reserved and special prices prevail. This opportunity, in connection with the wonderful values we offer you from Miller's Big Bargain Store, afford the thrifty shopper the opportunity of a lifetime. Every offer is an extra special in itself, and we advise you to trade here as soon as your time will permit, as these prices will not be offered for a great length of time—in fact we may find it necessary to withdraw these offers sooner than we anticipate.
