VOL. XXVIII

NEWBERG, YAMHILL COUNTY, OREGON, THURSDAY, MARCH 2, 1916

No. 21

## FARM NOTES BY COUNTY AGENT

A Number of Interesting Topics Treated by Mr. Shrock.

### HEAVES IN HORSES

Odd as it may seem, the question most frequently asked since I have been in the county is: "What shall I do for my horse that has the heaves?"

I realize that this disease is very troublesome at this time of year, and it is due to mistakes in feeding, over feeding of hard nutritious hay being the chief cause. While it is incurable, there is much that can be done to relieve the horse which already has it, and the same treatment will prevent others from getting it.

Directions.—Feed only a moderate amount of clean bright hay and 4-5 of it should be given at the evening meal. Feed a good grain ration. Always water before feeding and never afterward. Warm the horse up to his work very gradually after feeding. Do not give drugs.

### APPLYING MANURE

Manure should be spread at once and not left in piles in the field. Much better results will be had from manure put on the field or garden this time of year if it is well dived in before plowing. By thus thoroughly mixing manure with the soil, it means rapid decay and maximum results.

### LAND PLASTER

Land plaster is not a fertilizer, neither is it capable of correcting soil acidity. Land plaster is a stimulant and, if rightly used, is a valuable aid in crop production. It should only be used in connection with leguminous crops which are within themselves soil builders, or it may be used with other crops where manure has been applied or will be applied with the growing of the next crop. Continuous stimulation without rest or nourishment effects the soil the same as it does the horse. Fifty pounds per acre is the amount recommended on leguminous crops and should be applied between now and April 15.

### POTATO PLANTING

Preparation for potato planting time.

The producer of successful crops will not only grow well selected strains of suitable varieties but he must (this is a most emphatic must) have clean soil to start with. Soil that grew potatoes last year is in general not fit to grow the best kind of a crop this year on account of the multiplication of potato parasites. The farmer must be made to understand this fact before Oregon can have a potato industry we can be proud of.

Next, the seed that goes into the ground must be clean seed. If it is not disease free the chances are strong for a poor stand, small crop, little potatoes, wilt, scab, blight, rot and other troubles, all of which are common here, and which account in large measure for the present poor condition of the annual potato crops in many sections. If possible seed should be secured from a field that raised a clean crop. Even this seed should for safety be given the corrosive sublimate treatment with a "one to one thousand" solution. If seed from an absolutely clean crop cannot be secured get the cleanest selected seed from the best crop you can and treat it as mentioned above. Never use seed that shows signs of decay,

stem end rot, or late blight rot. If on slicing across the stem end an unnatural deep brown or black discoloration appears in the ring of fibers, the seed should not be used as in most cases this indicates a wilt disease where no seed treatment will destroy the fungus living within the tuber itself. M. S. Shrock, County Agent.

## MONDAY NIGHT AT WOOD MAR HALL

On the evening of Monday, March 6, a program will be given in Wood-Mar Hall by the Pacific College Alumni. This will be one of the series of piano fund concerts, and the admission fee will be the usual one of ten cents. Tickets are on sale at Kienle's Music Store.

The program will be given by a number of the most popular singers, pianists and readers in the city, and may safely be guaranteed to be worth several times the price of admission. The entertainment will be a varied one of readings, solos and quartets as may be seen from the window cards in the windows of the business houses about First street.

An announcement of great interest to the people of Newberg will be made from the platform that evening. Do not fail to be on hand to hear it.

## LECTURE—A HOUSE DIVIDED

The prohibition rally that has been announced to be held in the I. O. O. F. Hall, has been changed to the Duncan Hall, and will be held Tuesday night, March 7. This meeting was postponed one week from last Friday night, owing to Mr. Taylor's sickness, and this second change has been made so as to avoid conflict with other attractions scheduled for Friday night, March 3. Ernest E. Taylor, who is one of the National Prohibition workers, will give his new lecture entitled "A House Divided." This lecture is one of the best Mr. Taylor has ever prepared and has been pronounced most interesting and instructive. Prof. Curtis P. Coe, of McMinnville, chairman of the Prohibition party in Yamhill county, will be present and preside at the meeting. This meeting opens an extensive speaking campaign in Yamhill county, in which several local speakers in addition to Mr. Taylor will participate, that has been planned by the County Committee in the interest of National Prohibition, and the up-building of the Prohibition party. All temperance forces are heartily invited to attend this opening rally at Duncan's hall next Tuesday night. Press Committee.

## YE OLDE TIME SUPPER

The ladies society of the Presbyterian church will serve an old fashioned supper, country style, good eats and plenty of 'em, at the church next Tuesday evening, March 7, beginning at 5:30. Price 25 cents.

Besides the substantial there will be hot biscuits and maple syrup, home made doughnuts and coffee and pie like mother used to make. Music by the Old Town band.

After supper there will be an old time entertainment of music and recitations, at which an admission fee of 10 cents will be charged. Miss Alice Bingham, of Dundee, will be featured in humorous selections. Everybody come and have a good time.

### The Voyage

"Ship-born, ship-guided, ship-attended"—Young's Night Thoughts.

Sailor, sailor—where are you sailing?  
Light is the breeze and the waves toss free—  
Prow to the East—and the land down hailing—  
"Where God wills shall the harbor be."

Sailor, sailor—where are you sailing?  
Dark hang the clouds over a threatening sea—  
Prow to the West—and the sunset falling—  
"Where God wills shall the harbor be."  
—Emma N. Carleton.

New Albany  
Indiana

## FIFTIETH ANNIVERSARY OF THE Y. W. C. A.

On Friday morning, at the regular chapel hour, 10:10, the Y. W. C. A. of Pacific College will have a public meeting celebrating the fiftieth anniversary of the history of the association. Homer L. Cox, of Sunnyside Friends church, Portland, will give an address and there will be special music by the girls' choir.

Beginning with February 1, the Young Women's Christian Associations all over the country have been celebrating this anniversary as a jubilee. Fifty years ago, March 3, 1866, a group of Christian College girls met together to find some means for helping the girls of the city that they might enjoy a social and spiritual life. With this beginning the movement grew and spread rapidly. The main feature of the early years of development was the establishment of good boarding houses for strange girls coming to the city and this still remains one of the practical purposes of the Y. W. C. A.

The public is cordially invited to attend this public meeting.

## SAM RICHARDSON SHOT AND KILLED

Former Newberg Man—Son of Stephen Richardson.

At an early hour today Stephen Richardson received a telegram from Nampa, Idaho, giving information of the killing of his son, Samuel, who was about Newberg a good deal a year or two ago. Mrs. E. W. Mueller, a sister of the deceased left for Nampa on the evening train.

The following account of the shooting appeared in this morning's Oregonian:

Nampa, Idaho, March 1.—(Special.)—Ernest Hardenburg, 33 years old, shot and killed Sam Richardson, husband of Hardenburg's divorced wife, on a ranch nine miles south of here at 8 o'clock Tuesday night, according to word received here tonight.

Hardenburg appeared at the kitchen door of the Richardson home last night in the guise of a soap peddler, and, seeing Mrs. Richardson, said, "Anna will buy some soap from me," as he held out a bar of laundry soap.

When the husband, who was in the kitchen as was a sister, Miss Maude Brooks, said something about the stranger's being pretty familiar for a peddler, Hardenburg whipped out a revolver and shot him twice through the heart.

## MRS. LAURA E. MINTHORN DECEASED

On last Sunday, Mrs. Laura E. Minthorn, the wife of Dr. H. Minthorn, died on the train between Seattle and Portland.

Some time last season Dr. and Mrs. Minthorn went to Metlakatla, Alaska, to work with Mr. Duncan, the well known missionary who has long had charge of the Indian work on Metlakatla Island, this being their second trip to that place.

Word was received here a short time ago that the health of Mrs. Minthorn was failing and it was supposed that they would return to Oregon soon. The immediate cause of her death is said to have been apoplexy.

The eldest daughter, Dr. Gertrude Minthorn, is doing hospital work in India, where she went last year, and Miss Mary, the other daughter, has been in New York taking advanced work in Columbia University.

Funeral services were conducted at Lents Wednesday evening and the body was brought to Newberg today. After a short service was held at the Hodson & Elliott chapel, burial was made beside the graves of a son and daughter who died several years ago. Deceased was 69 years of age.

Dr. and Mrs. Minthorn spent many years in the Indian work and the first positions they held in Oregon were as superintendent and matron, respectively, of the Chemawa Indian School which was then located at Forest Grove.

They were the first teachers of Pacific Academy, coming to Newberg from Forest Grove when the Academy building was completed in 1885, and organizing the school.

For several years they were located at Nye Beach, Newport, where they built and operated a salt sea sanitarium. Here they met many people from all over the country and consequently they are widely known from their contact with beach resort people from year to year.

Deceased was a lifelong member of the Friends church and an earnest christian. She was a daughter of Benjamin Miles who died in Newberg many years ago and sister of B. C. Miles, of Salem.

## IN HONOR OF MR. AND MRS. CHILDERS

Members of the school board and teachers of the Chehalis Center school, with their families, gathered at the home of Mrs. Mary P. Johnson, on Sunday evening last, in honor of Mr. and Mrs. Childers and Miss Florence Leloh. Mr. Childers has been so prominently identified with every educational and religious interest in the community, that some recognition was his due, and all were glad of the opportunity to express their appreciation.

The program was entirely impromptu, each one being required to "tell a story or sing a song." The various renditions of "Mary" and the immortal "Lamb" were much in evidence among the selections. Honors for elocutionary efforts were equally divided between Mrs. Baker and Mr. Childers.

Mrs. Johnson entertained with large-hearted hospitality, and thanks are due her for a most enjoyable evening. One Who Was Present.

## FRANCIS WILLARD MEMORIAL DAY

The local W. C. T. U. met at the home of Mrs. W. W. Hollingsworth on Wednesday of last week for this red letter day, when the following program was recited:

- Music—"Stand Up for Prohibition".....
- Scripture reading.....
- Reading poem "Francis Willard".....
- Music—"Go Forward".....
- Quis by members.....
- What is the Francis E. Willard Memorial Day Fund.....
- How is the Fund Used?.....
- What is the Responsibility of the Local Union?.....
- Song—"White Ribbon Rally".....

Mrs. Etta Moore, having resigned on account of illness, Mrs. C. H. Christenson was unanimously elected to fill the vacancy.

A social hour, with dainty refreshments, followed. Thirty-seven were present. The next business meeting will be held at the home of Mrs. Bowerman March 30, at 2:30 p. m. Press Supt.

## Y. W. C. A. PAGEANT

In connection with the jubilee celebration of the Y. W. C. A. the girls of Pacific College will give a pageant Tuesday morning, March 7, at 10:10. The purpose of this pageant is to trace the development of the Young Women's Christian Association from the time of its organization in 1866 till the present year of 1916.

There will be the girl of 1866 and the girl of 1916 together with a procession of years given by girls dressed in the varied costumes of the intervening fifty years' period. The girls from the foreign countries, to which the Young Women's Christian Association has reached, will also be represented by different costumes. As complete a picture as possible of the many kinds of girls whom the association helps will be given.

A general invitation is extended to the public.

## CHANGE OF ANNOUNCEMENT

There must be a slight change made in regard to the W. C. T. U. institute which was announced last week, owing to the revival meetings which begin next Wednesday evening at Chehalis Center church to be held by Rev. J. L. Glasscock.

The Saturday evening lecture of the W. C. T. U. will be called off. We will still have an all day's Saturday institute and Mrs. F. L. Harford will give her lecture in the afternoon. As Rev. Glasscock wishes to rest one night, the contest will not be called off.

So everyone be sure and come to the grand gold medal contest Friday evening, March 3, at half past seven. M. R. Wills.

## CELEBRATION OF GOLDEN WEDDING

Mr. and Mrs. H. M. Peebles Pass Fiftieth Milestone of Wedded Life.

The fiftieth wedding anniversary of Mr. and Mrs. H. M. Peebles was celebrated on Wednesday, March 1, at I. O. O. F. hall by Shiloh Women's Relief Corps, No. 28, of which Mrs. Peebles is a member. Mr. Peebles belonging to Shiloh Post No. 77, G. A. R., he having served his country during the civil war in Company K, 133d Illinois infantry.

Mr. and Mrs. Peebles were married March 1, 1866, at Chesterfield, Illinois, moving from there to Missouri in 1882, and coming to Oregon twelve years ago.

The bridal pair were attended by Mr. and Mrs. Pitts, Mr. and Mrs. G. W. Byers and Mr. and Mrs. W. H. Brooks. The ceremony was performed under a beautiful arch of evergreen and Oregon grape, woven with golden bells.

Rev. Ezra Hayes, with some very fitting and witty remarks, pronounced them man and wife.

It is to be noted that every one of those comprising the wedding party has passed the fiftieth milestone in wedded life.

The wedding march was played by Miss Jessie Britt, and after a short reception and a presentation of gifts of hand-painted china by the Relief Corps—sugar and cream set to Mr. and Mrs. Peebles, the party adjourned to the dining hall.

The entire party formed in line and marched to the dining hall, where bountifully-laden tables, decorated with flowers in white and gold.

The chef d'oeuvre of the dinner was a wedding cake sent from Riverside, California, by Mrs. W. N. Peebles, a daughter-in-law, who is president of the W. R. C. at that place. The cake was beautiful in gold and white, and further, with two cupids holding seven ribbons attached to as many love-birds, the first two of which were tied in one to represent the father and mother, the other five flying free, representing the five living children of the couple.

Several other bride's cakes were served, making it possible for the entire party, numbering about one hundred and forty, to each have a piece to eat or to take home and dream upon as they might prefer.

Four generations of the Peebles family were represented, from grandpa and grandma down to little Miss Pauline, from Perrydale.

After the dinner a short program was given, with Miss Britt and Mrs. Tate as piano and vocal soloists, Mesdames Bankson and Snow as readers and Wm. Clemmens recitationist. A few happy remarks by Mr. Peebles and the singing of "Sweet Home" and "America" by the audience ended the program.

The company then broke up, wishing Mr. and Mrs. Peebles at least fifty years more of happy married life. Press Cor.

## HOME MADE CANDIES

As a side attraction to the basketball game between Pacific College and McMinnville Friday night the ladies auxiliary will serve home made candy and taffy. Be sure and put a few extra dimes in your pocket.
