RESOLUTIONS OF RESPECT

Many years ago, when husbands, fathers and sons so bravely answered to their country's call, wives, mothers and daughters just as bravely met the demand for sacrifice, and bade their loved ones go where duty called.

These brave women then took up their yoke of toil, suffering and anxiety, and bore it uncomplainingly. To these we would give full measure of homage. The Heavenly Father, in His wisdom and mercy, is calling these loved ones one by one to rest.

Whereas, In so short a space of time He has taken from our midst Harriet Harger, who died May 31, and Drusilla Blanchard, who died June 6; therefore, be it

Resolved, That in the death of these beloved sisters Shiloh No. 28, Woman's Relief Corps, is called upon to mourn the loss of two true and faithful members whose lives have so truly exemplified those crowning principles of our order—fraternity, charity and loyalty. Be it further

Resolved, That our charter be draped in mourning for thirty days, and that we extend our sincere sympathy to the bereaved families.
