

CHRISTMAS GOODS

I am now showing the largest, most complete and up-to-date line of Holiday Goods I have ever placed on display in Newberg. I purchased them early, before any advance in prices, therefore can give you bargains. Had I waited, like some buyers, my prices would have been much higher. French Ivory is very fashionable again this year, and I am showing a very large and excellent line. You can obtain single pieces to fill out your sets, or I can make you up a set in fancy boxes from \$2.50 to \$15.00 a set. I will list some of the articles I have for sale to make it easy for you to select your purchases.
