Union Pacific System stands able and glad to give to the Nation the same supreme service in time of war as in time of peace.

PACIFIC COLLEGE

President and Mrs. Pennington entertained the students of the College and the Commercial departments at their home last Friday evening. After an interesting and enlightening investigation of family trees, from trunks to leaves, the guests enjoyed an impromptu musical program. Mr. Pennington's dialect songs with guitar accompaniment were greatly appreciated, as were also the dialect readings offered by himself and talented ones of his guests. Light refreshments were served, and at the conventional hour the guests dispersed.

On the following evening President and Mrs. Pennington entertained the academy students. Everyone anticipated a good time and was in just the right spirit to make things lively. Examinations were the order but they were the kind that make the heart glad. In the oral exams wit flew thick and fast and everyone passed with good grades. A terrible thing happened, but not so very terrible, when each person was required to read his wrong answers to the written exams. The academy students are wondering if people have so much fun in college classes. Sherbet and cakes were served for refreshments.

At Canyon Hall April 14, from three to five, Mrs. Allen and the dormitory girls entertained at tea in honor of the College Board and members of the faculty. Daisies and Oregon grape in profusion were used in the parlors, while violets were effectively used on the tables in the reception room from which tea was served. A short program consisting of readings, vocal, and instrumental music was enjoyed by the guests.

A new flag has been purchased by the student body and faculty and is now flying from the flagpole. The flag was raised last Thursday after chapel 'mid great applause from the student body assembled on the lawn. They then all joined in singing "The Star Spangled Banner" before going back to the routine of the day.
