\$1.50 Per Year in Advance

THURSDAY, JUNE 14, 1917

Better tie a string to a finger to help keep in mind the date of the annual school election which is next Monday.

The graduating class of Pacific College had two members this year of unquestioned high standing. Witness the fact that Robert H. Dann measures six feet three and a half inches, and Ernest W. Gulley looms up to six feet six inches.

The editor of the Graphic was out of town last Sunday afternoon and consequently did not attend the Red Cross meeting at the library building, but an interesting meeting is reported and a canvass for a large sum of money for the work is to be made. It is a very worthy cause and one that should easily enlist the sympathy and assistance of the people.

A visit to a tin shop where may be seen milk cans and milk buckets that have been brought in for mending—well, if you have a strong stomach you may be able to retain your last meal, but you can easily see why some cream and butter sold in the market are anything but palatable. Verily, if cleanliness and Godliness go hand-in-hand, some cow-men and cow-women must necessarily be a long ways from the kingdom.

ENLISTMENT OF BRITISH SUBJECTS IN U. S.

The Congress of the United States having passed an Act permitting the voluntary recruitment, within the United States, of British subjects for service with the British Army conditional upon regulations issued by the United States Secretary of War. Male British subjects between the ages of 18 and 40 years inclusive residing in the states of Oregon, Washington, Montana and Idaho, or in the territory of Alaska, who are not naturalized American citizens, are requested to register their names and addresses at the British Consulate, Portland, Oregon.

It must be understood that registration does not necessarily imply obligation or compulsion.

JUST A LINE

From the boys at "The Big Hardware Store."

We're too green to burn, there is no chance to get rid of us, we're here to stay and we hope it won't be long till we can invite our friends and customers in to see us again.

We cannot say for certain this week when we will be ready to do business again, but we are now taking stock preparatory to adjustment with the insurance companies and needless to say we are rushing it through just as fast as possible.

If in the course of adjustment with the insurance people the damaged stock remains in our possession we will be in position to offer some wonderful values in hardware and implements to the people of this community. Watch for our add next week as we will know by that time what we can do.

If you need repairs for your mowers before we get settled we will take care of you. Call up our temporary office at D. D. Coulson's insurance office.

The bulk of our stock of mowers and rakes was outside between our store and Mr. Baird's store and is not damaged in the least by the fire and we will be glad to quote prices about 10 percent under today's market.

Don't forget the number—it won't be long before Larkin-Price will be after your business again for hardware and implements.

SAVE PENNIES FOR THE RED CROSS

The Nickel You Spend for Jelly Beans Will Bandage a Wounded Soldier

What part can the "kiddies," the tender, big-hearted little boys and girls do to help win the war?

This is one of the questions that has been interesting the leaders in the great Red Cross drive for \$400,000.

They believe they have arrived at a solution of it and will attempt to arouse the enthusiasm of the youngsters to a pitch as keen as that of the grown-ups who are waging the battle for the dollars.

The plan is to enlist the assistance of the parents and urge them to instill at this time the patriotic need of exercising self-sacrifice and self-restraint in the smaller things that eat up the pennies and nickels that the "kiddies" spend for "eats" and goodies of all kinds.

Parents will also be urged to help their children to earn a few more pennies or dimes during the next few weeks than they have been in the habit of doing and to ask the kiddies to save their earnings above what they actually need and give them to the Red Cross fund.

There are nearly 100,000 children of school age in Oregon and they are, or soon will be, out of school for their summer vacations and the Red Cross committee is confident that these thousands of young patriots will be able to make a splendid showing in gifts to the Red Cross if they exercise a little more energy, perseverance and thrift in working for the great relief movement.

How important the pennies and nickels and dimes may be in the alleviation of suffering and misery among the wounded on the battlefields of Europe, where the American soldiers will soon be doing their bit to help win the war, is shown by some figures prepared by the Red Cross. For example:

One cent will buy iodine to disinfect a wound.

One cent will buy enough gauze for one dressing.

A nickel will buy a bandage.

Eight cents will pay for a temporary splint.

A dime will provide chloroform for an operation.

Twenty-five cents expended as above may save a limb or a life of a wounded soldier.

COURT HOUSE, McMINNVILLE

Grand Ronde was the banner precinct when it came to pulling old Yamhill out of the mud, to the tune of 59 to 4. They certainly know what they need.

The county clerk's office is a very busy place since the gopher and mole bounty has been in effect. The first 10 days of June there were 66 persons presented scalp for bounty.

Marriage licenses: Harry Edward Long, Blalock, Ors.; Bernice Elvie Toney, McMinnville; Carl A. Reetz, Lafayette-Marjorie G. Hazelton, Newberg; Donald H. McGogy-Maude A. Bixey, McMinnville; Richard Morecroft, Dundee-Lola Kane, McMinnville.

Judge J. B. Dodson went to Portland last Friday to consult a specialist and it was decided that an operation for mastoid was necessary. The operation was performed Monday morning from which he seemed to recover nicely, but a phone message from Portland Wednesday noon announced that he was not expected to recover.

The county court went out to the new road near Dolph Wednesday to meet the Tillamook county court and make arrangements for the big celebration they expect to have at Dolph on June 30, in commemoration of the opening of what is known as the Sour Grass cut off. All are cordially invited to attend and go prepared to enjoy a big picnic dinner. The Tillamook county court has promised to furnish the cheese and salmon for the occasion.

The war census went off very smoothly. No slackers have been found in the county as yet. Any one knowing any one who failed to register should report the same to the county registration board in care of the county clerk. The registration in the county was as follows: Age 21-155, 22-128, 23-141, 24-150, 25-138, 26-138, 27-157, 28-131, 29-136, 30-146; total registration 1471.

Of this number 51 were aliens, only 9 Germans in this number; 733 claimed exemption on account of dependent ones; 641 claimed no exemption; 14 registered who were totally disabled; occupational exemption claimed by 31.

CHEHALEM CENTER

Miss Daisy Hendrickson, of Portland, visited her friend, Miss Lucy Shatz, the past week.

Annual school election next Monday at 1 o'clock and the Parent-Teacher meeting in the evening. There will be election of officers, some music and an old-fashioned spelling school.

Carlos Johnson, Victor Hendrickson and Marion Elston are the heroes of Chehalem Center just now as they enlisted in the service of their country. Victor and Carlos came home from Alberta last week and joined the cavalry.

Last Wednesday the ladies of the Q. H. G. Club gathered at the home of Mrs. Jenny Post and engaged in looking over gooseberries. When this task was done, fruit salad, cake and coffee were served. All enjoyed the afternoon very much.

Fred Harrison and Miss Etta Hess were motored over to Vancouver Tuesday where they took the vows of matrimony. They will remain in Portland for the Rose Carnival. The young people have the best wishes of their many friends here and may their path always be strewn with roses.

Tuesday evening a few friends gathered at the home of Mrs. Dora Moore and spent a very pleasant evening socially. Cake, sandwiches and loganberry juice were served to the guests. Those present were Mr. and Mrs. S. W. Childers, W. H. Dean, Elwin Smail, Mrs. Smail, Mrs. Mary Johnson, the Misses Minnie Dean, Florence, Lelah and Marguerite Johnson, aside from the family.

SPRINGBROOK

Mrs. A. R. Mills went to Portland Saturday to attend the funeral of George Sykes.

Mrs. Marie C. Tappendorf, of Sherwood, was a Monday guest at the home of Eva Markell.

David Hobson went to McMinnville Sunday to engage in surveying work for the summer.

Miss Evah Hadley returned the latter part of the week, after completing a four years course at the University of Oregon.

Mrs. E. M. Parry, superintendent of the children's home of Portland, spent the week-end with her parents, Mr. and Mrs. J. S. Montgomery.

No services will be held at the church Sunday on account of Yearly Meeting. June 24 children's day exercises will be given at 11 a. m. Other services as usual.

Miss Maud Putman, of Seattle, and small nephew, Ivan J. Putman Jr., of Sprague, Wash., arrived Wednesday morning to spend a month's vacation with the D. B. Putman family.

Miss Maude Haworth has completed her work at the training school for christian workers, Huntington Park, Calif., and returned to her home here Wednesday.

Miss Florence Rees came home Saturday for the summer vacation. She has been occupying a position on the Coryall high school faculty for the past year. Miss Corinne Bartholomew of Everett, Wash., is her house guest for a few weeks.

C. E. Newhouse made a short business trip to eastern Oregon last week, returning Monday. He made a thorough canvass of that territory in the interest of the Springbrook Fruit Assn. and received unexpectedly large orders for strawberries and other fresh fruits. Thursday of this week he expects to leave for Grays Harbor towns and will probably be gone a week or ten days. Mrs. Newhouse and daughters, Hazel and Bernice, will accompany him as far as Centralia, where they will visit relatives.

W. C. T. U. CLEANINGS

The W. C. T. U. met in the park on the 6th for the annual flower mission program. The morning was given to making the bouquets. The lunch at noon was spread on the improvised table and was shared with several honoraries. The program in the afternoon was of unusual interest. The story of how Frances

Willard launched this department was given. On the occasion of a visit to the sick room of Jennie Cassidy in Louisville, Ky., she found her room filled with beautiful flowers from friends. She was sending them out to other sick and shut-ins, to the old and the poor over her city. Miss Willard at once caught the spirit and at the next national convention this department was adopted, with Miss Cassidy as national superintendent. The White Ribbon quartet furnished music.

At the close of the meeting the bouquets, each tied with a white ribbon to which a card upon which was printed a scripture text, was attached, were taken to all the sick and shut-ins in the city. They hope none were forgotten.

The next meeting of the union will be held in the park the 27th.
