Hog Raisers Can Lower the Cost of Pork Production

Big profits can not be expected from hogs that cost too much to fatten. Unless a hog's digestion is good he can not earn you a penny as too much high priced grain passes through its system undigested and is wasted.

Can You Afford to Waste High Priced Grain Feed?

Under ordinary feeding conditions, an animal will fail to digest about 45 per cent of its grain food—nearly one-half will pass through its system and be wasted. You can improve the digestion and assimilation of farm animals through the use of

INTERNATIONAL STOCK FOOD TONIC

You can save from 20 to 33 per cent of their grain feed. It improves digestion and assimilation, purifies the blood, strengthens the entire system, and keeps the animal in good health and condition.

Good For All Kinds of Live Stock

It will help to fatten hogs, beef cattle and sheep quickly, will improve the milk flow of cows, and will help horses to do more work at a big saving in grain feed.

Packages 25c, 50c, \$1.00. 25 Lb. Pails, \$5.00.

FERNWOOD

Charlie Abernathy has a new Ford.

Mr. and Mrs. Casper Gettman had guests from Portland for the week end.

Miss Beryl DeFord has been a guest at the W. A. Parrish home for a few days.

Several Fernwoodites enjoyed the high school commencement exercises in Newberg last week.

The banquet given by the Sunday school last Wednesday evening was greatly enjoyed by all present.

Miss Mae McLeod and her brother, Donald, were here Sunday shaking hands with their many friends.

Lou Dery and family motored over from Albany for a week's visit with Mrs. Dery's parents, Mr. and Mrs. R. Fairbank.

The "Needlecraft" met at the Ross home Thursday afternoon. The next meeting will be held at the home of Miss Eunice Sanders.

Word has been received from Mr. and Mrs. Dave Jones, who recently went to Canada, that they had a pleasant trip and think they will like the country. We hope that they will not like it so well but what they'll return to Fernwood in the fall.

REX

Mrs. F. Hoening visited in Portland Saturday and Sunday.

Miss Mary Jones played at the alumni banquet and program of Pacific College Tuesday evening.

A. J. Heskest, who has been in California the past few weeks in the interest of the Pond Lyceum Bureau, is back at Rex again for a brief rest.

Miss Marie Hanson, of Portland, and Miss Gold, of New York city, were Sunday guests of Mrs. Florence Eves and Mrs. A. J. Heskest.

Miss Fleda Kane who spent the past week at home, being one of the Newberg high school graduates, returned to her work in Portland Saturday.

Mrs. Florence Eves and Mrs. A. J. Heskest joined the Red Cross workers in Newberg and attended the benefit tea given by that society Friday afternoon.

Miss Hattie and Lily Velte,

Mr. and Mrs. Ed. Asmus and S. Sanderman motored over to Vancouver Sunday to visit a brother, David Velte, who expects to be transferred shortly.

Geo. Tanada, who has charge of the L. S. Otis strawberries, shipped the first crate of fruit from this vicinity Wednesday week. Since then several scattering crates have been shipped, but the real picking will not begin for another week.

After the brief business session of the Civic Improvement Club Tuesday the evening was given over to M. S. Shrock who ably proved his ability as a right royal entertainer. His interesting talk was accompanied by stereopticon slides and were thoroughly enjoyed by all. The two musical numbers, a duet by Mrs. A. J. Heskest and Mrs. Jack Sawyer, "There's a Long, Long Trail," and "Hush-a-Bye My Baby" by a number of the girls, completed the program.

The various committees for the Strawberry Festival, June 27, given for the benefit of the Y. M. C. A. army fund are completing plans for what promises to be the biggest event ever given at Rex. Chehalis, the very able co-worker of Rex, and other neighboring towns are lending their enthusiastic support. It is proposed to pitch a large tent on the school grounds to accommodate the various booths and strawberry display, and the interior will be arranged for a program as well. There will be something doing all day. A tennis tournament in the forenoon is scheduled under the direction of Willard D. Wiley. Part of the afternoon will be given over to a ball game, either between Rex and a neighboring town, or the married and single men of the neighborhood. This event is being arranged by Francis Jenkins. J. Dean Butler, of Oregon City, will give his famous lecture on the Philippine accompanied by a valuable collection of curios from the Philippines as part of the evening's entertainment. Two bands will be on hand all day and other out of town musical talent. The Ladies' Aid will serve an old fashioned country dinner at noon and strawberry shortcake with real cream will be on tap all day long.

The orange discs which you will see displayed next week in the windows of the dealers listed below bring a welcome message—a message telling of relief from the drudgery and discomfort of summer cooking.

For the New Perfection cooks better than any wood or coal range, and it does not heat up the kitchen. Cooler cooking in summer—more economical cooking all the year 'round.

Watch for the orange discs next week. Ask any of these dealers to tell you about the New Perfection Oil Cook-Stove and how the long blue chimneys prevent all smoke and smell.
