Remember Prof. Powell's demonstration lesson on Saturday afternoon at four o'clock, and the graduating exercises in the evening, at both of which State Supt. Churchill is expected to be present. The high school play will be given Thursday evening.

One of the biggest days Dundee has ever had was Thursday last when the community flag was raised on the new pole recently erected in front of Community Hall. The city council, commercial club, other organizations, and residents of the community united in purchasing the pole and flag and there was a large attendance at the exercises held at 2:30 p. m. The parade started from the school house at 2:30, headed by five veterans of the Civil war, Commander Pike of Newberg, Messrs. Poole, Palmer, Byers and Hunter of Dundee, and followed by the Dundee band, school children, and citizens in autos. John Edwards, president of the commercial club, was master of ceremonies. During the playing of the Star Spangled Banner the veterans raised the flag and when it reached the top of the pole Mr. Edwards led the assembly in, "Three cheers for Old Glory." The special feature of the program was the impromptu address by Wm. S. Allan, who added the intense and solemn feature to the occasion as he spoke of his debt of gratitude to our country and the flag by which it is represented. He touched the hearts of his hearers as was evidenced by the frequent and hearty applause, and he made an earnest appeal to each individual to give hearty and loyal support to the principals of democracy and freedom symbolized by our flag.

**Is Your Money Supporting the Government?**

At this critical period in our history our manufacturers are offering their mills, and our young men are offering their services to the United States government.

Would you like to do your share and help by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us, as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.
