REX

Mrs. Pilcher spent a few days of the week in Portland.

Misses Rachel and Ethel Brown are working in the cannery at Springbrook.

Mrs. C. G. Lewis made her weekly trip to Portland for medical attention.

Mr. and Mrs. Frank Johnson, of Chehalis Center, visited the home folks for a few days.

Mrs. Ethel Clark and daughter Margaret, of Boise, Idaho, are spending their vacation with Mr. and Mrs. Jack Sawyer.

Miss E. Vera Powell, who formerly taught at this place and is working this summer in Portland, visited the Dean family Sunday.

Frank Gustin, who disposed of his old machine a short time ago, is learning the intricacies of a new Maxwell, purchased a few days ago.

Miss Nina and Daisy Wright, who have been visiting at Rex for the past three weeks, left for their home at Staples, Minn., Sunday evening.

Mrs. Ralph Otis, who was quoted in last week's items as having consented to direct the choir at the church, begs to have that misstatement corrected. In her usual gracious manner she has consented to assist in the musical work of the church, but does not care to be considered the director of the choir.

Dr. A. G. Freidline and wife, of Boise, Idaho, spent a few days of the week with Mr. and Mrs. Jack Sawyer. This is the first lap of a motor trip along the coast, through Seattle and Spokane through the Coeur d'Alene lake section and central Idaho back to Boise. They report the Columbia Highway the first stretch of good road since leaving home, and the roads in some sections of Eastern Oregon so bad that they have worn out five new tires up-to-date.

DUNDEE

Miss Sally E. Beck spent the week-end in Portland.

Mrs. Cross has been suffering of late with a sprained knee.

Mr. and Mrs. Moorecroft are enjoying a motor trip to Crater Lake.

Mrs. D. A. Nichols, of Dayton, Wash., is visiting her parents, Rev. and Mrs. George H. Greer.

Mayor E. G. Shannahan has gone on a fishing party with a number of young men from Dundee.

Miss Marguerite Entler, of Portland, is spending part of her vacation at Otterbrook. Mrs. S. M. Crosby is also a guest at Otterbrook.

Clause Groth who has been a Southern Pacific agent at Venecia, Cal., is home. He likes Oregon better than California and hopes to obtain a position nearer home.

Miss Lucy Lamson, musical instructor in the Tacoma public schools, was an Otterbrook guest last week. One of the pleasant features of her visit to Dundee was a talk on methods with Prof. J. P. Powell.

Carl Lehmann, an agent for Wells-Fargo Co., visited his grand-parents last week. Carl has had a constant rise in salary ever since leaving Dundee, where he took his training in the Southern Pacific employ, and has recently been ordered by his company to report at Seattle.

The annual meeting of the Dundee Woman's Club was held at Community Hall on Thursday. The principal business of the day was the reports of officials and election of officers. Mrs. Bland Herring was re-elected president, and Mrs. E. G. Shannahan re-elected vice-president. Mrs. Henry Holzmeyer was elected secretary, Mrs. Paul Groth treasurer, and Mrs. G. A. Dearborn and Mrs. Frank Crowell directors.

Mrs. Joseph Herring was hostess for the day, assisted by Mrs. John Edwards and Mrs. N. W. Bailey.

Week End Victories.

Week end victories have been common in the history of warfare, and Sunday has always been, either by accident or design, a notable day for battles. It was on Easter day, 512, that the battle of Ravenna was fought between the Dutch, French and Spaniards, and there are two instances of Sunday battles in the Wars of the Roses. The most important victory in this country was won by the Yorkists at Towton, on Palm Sunday, March 29, 1461; and ten years later, on Easter Sunday, 1471, the Yorkists were again victorious at Barnet. The peninsular war was fruitful in Sunday fighting, and Waterloo itself was decided on Sunday, June 18, 1815.—London Chronicle.
