UNCLE SAM GETS THE MONEY

Liberty Bonds are sold direct from the United States Treasury department to the people. There is an appropriation of a small sum for rent, clerk hire, postage. No commissions are paid, and the local and state campaigns are defrayed by private patriotic subscriptions, practically all workers donating their services.

WHY YOU SHOULD BUY LIBERTY BONDS

Have you asked yourself the question—why should I subscribe for a bond? Have you done the usual thing in the case of affairs financial—have you said, "Let the men with money invest in the bonds?"

If so, you are not doing your share, American man and American woman. "A big loan will shorten the war, will help to save life, and will help to save civilization."

Every man, woman and child who enjoys the blessings of this commonwealth should seriously realize that he is a unit of the whole. If we do not contribute some portion at once of the prosperity which our country has made possible for us, we are not doing our share to assist our Allies, and we may suffer a defeat which will impose upon this country such a conqueror's indemnity as will lose our hard-won freedom for generations. Do not forget that France paid Germany an indemnity after 1871 of about one billion dollars, and only a short time before the present war fully liquidated this indemnity loan to their people.

It is cheaper by far to win than to be defeated.

There are over 100 million men, women and children in this country, of whom it is estimated that there are more than 40 million persons engaged in gainful occupations.

It is vitally necessary for each of these 40 million persons to realize the danger and the opportunity and subscribe a portion of his possessions to this Second Liberty Loan of 1917.

During the war with Spain the United States government sold \$200,000,000 worth of bonds at 100 cents on the dollar, which was oversubscribed seven times, and were quoted immediately at a premium. Two years after the war the price of \$100 bonds went to \$111, thus bringing a profit to the holder of 11 per cent, besides the regular interest.

Liberty Loan of 1917, 4 percent bonds can be obtained in denominations of \$50, \$100, \$500 and \$1,000 and up, and by arrangement with the banks can be paid for by monthly payments running a full year.

A BRIEF MESSAGE

If there was ever a time to prove our Americanism now is the time. Our soldiers are on the battle line to help our allies to make the world safe for democracy.

Not all of us can serve in the trenches or risk our lives going over the top across no man's land but all of us can take part in "Hoover's Drive" to save wheat and meat, butter and sugar, for the men who are fighting our battle in Europe. We are not asked to stint ourselves or go without food, but simply to eat wisely and without waste, and to use substitutes for bacon and

ham, wheat foods and other concentrated foods that can readily be shipped across the water. One wheatless meal a day, one meatless day a week will keep the non-combatants in Europe from having eatless days most of the time. Remember that the person who wastes food during war time is giving aid and comfort to the enemy. This war will not be won on the battle line alone, but on the bread line as well and everyone of us can be soldiers in the fight for conserving our food supplies.

Pledge Card Week takes place between October 21st and 28th. Every loyal housewife should be willing and glad to promise co-operation with the Food Administration, Department. We can render efficient service by using home grown supplies, which will save transportation, by practicing the gospel of the clean plate, by cooking no more than necessary, by using corn or rye bread for at least one meal each day, by substituting chicken, rabbit or fish in place of beef and pork, by boiling and baking more and frying less.

The united co-ordinated effort of the nation will win the war. Do your part and get others to do likewise.

AUTUMN MARKET

Friday and Saturday of this week occurs the annual market given by the Woman's Auxiliary to Pacific College.

The Vegetable committee has secured a fine assortment of vegetables and fruits.

The Cooking and Baking committee will furnish you with all kinds of good things to eat—pies, cakes, salads, baked beans, bread, etc. Mrs. Humphrey will demonstrate the Goldenrod cereals and flours for this department.

The Caudy committee is working hard to supply the demand for good homemade candy.

The Rummage department will have a good display of useful articles of clothing.

The Lunch committee will serve hot tamales, sandwiches, coffee, etc.

Remember that a part of the proceeds from this lunch department will be given to the Red Cross work, so come and eat with us and help a good cause. Edwards' store.

AMERICA SPEAKS

Ye sons of Freedom, bring to me
With flaming hearts and bended knee
Your offering to Liberty!

Ye are my sons; my bounteous breast
Hath nourished you, and on you press
Its richest gifts; nor sought I rest.

Gaze now upon thy golden fields;
Mark how the earth its fruitage yields
Beneath the star-strewn flag that shields.

Behold thy cities, proud and strong;
Behold thy homes, where evensong
Ascends to heaven, free from wrong.

My noble sons! awake! arise!
Behold sad Europe's smoking skies;
Gird ye my limbs ere Freedom dies.

Think now of Belgium's fields of red;
Behold where stricken France hath bled;
Remember Lusitania's dead.

My sons! my sons! your hearts I know
Bring, then, thy gifts and let me go
With blazing sword, to meet the foe.
—Wm. T. Perkins, Portland, Oregon.

ANNUAL TAG DAY

The workers for the Louise home and the Albertina Kerr nursery are here preparing for their annual tag day. There are more unfortunate little ones this year than ever before, having sixty babies, most of whom are under two years of age. At present there are about forty girls in the Louise home.

The people of Newberg are in hearty co-operation with the work and have always done so well by us that we are looking forward with pleasure to our Saturday's work.

Headquarters will be at Campbell's Candy Store and anyone wishing to sell tags report there. Anyone having fruit or vegetables please leave at headquarters.

DEATH OF MRS. J. E. BERWICK

Mrs. Millie Brouillette Berwick, wife of James E. Berwick, passed away at the Heppner Sanitarium Wednesday, October 10, 1917, following a major operation, from which she failed to rally.

Mrs. Berwick was the daughter of Rev. and Mrs. T. Brouillette, and was born at Woodstock, New Brunswick, in 1878. She came to the Pacific Coast with her parents in 1880 and has spent most of her life in the states of Oregon and Washington. She was a woman of high talents, a trained elocutionist, and was widely known all over the country as a forceful and gifted public speaker, her ability along that line being recognized at an early age. As an instance of the degree in which her ability was recognized wherever she was known, may be mentioned the fact that while yet a school-girl, attending a school of elocution in Boston, she was invited by the Chamber of Commerce of that city to deliver the principal address at the celebration of July 4th in Boston. At the age of 18 years her high talent as a speaker and her devotion to the cause of temperance won her the appointment as lecturer for the Women's Christian Temperance Union for Idaho, Washington, Oregon and California. So popular did her work become along this line that the pulpits of leading churches of all denominations all along the coast were freely opened to her and her aid was much sought after by ministers and other temperance workers in organizing the temperance movement in these states. She was a member of the Presbyterian church but in carrying on the noble work along many lines of endeavor to which her life was devoted, she knew no sect or creed beyond that of helpfulness and service.

Being the daughter of a Civil war veteran, Mrs. Berwick was always a welcome guest of the old soldiers of the G. A. R. and many of her best public addresses were delivered at their great encampments all over the country.

Besides her husband, she is survived by one daughter, Mrs. Mae Berwick, and infant grandson, six sisters: Mrs. Wesley Boyes and Mrs. Thomas Cummings, of Newberg, Mrs. Charles Lapp, Mrs. L. E. Brown and Mrs. Thomas Blake, of Portland, Mrs. Susie Buckley, of Baker; a brother, Rex T. Brouillette, of Portland, and her parents, Rev. and Mrs. T. Brouillette, also of Portland.

Funeral services were held Thursday afternoon in the Federated church, being conducted by the pastor, Rev. H. A. Noyes. The remains were taken to Portland for interment.—Heppner Herald.

Monday morning, October 15, services were held under the auspices of George Wright W. R. C. at Dunning's undertaking chapel. The Rev. C. L. Hamilton and Rev. Hurd, of Portland, officiated. Miss Roal, soloist of the First Presbyterian church, sang "Face to Face," "Lead, Kindly Light," and "Abide with Me," hymns requested by Mrs. Berwick.

The honorary pall bearers were officials of the Grand Army of the Republic. Active pall bearers were the six brothers of Mrs. Berwick. She was laid to rest in the beautiful Riverview cemetery.

WOODS-VAN BLARICOM

A wedding of interest to Newberg people was solemnized at the home of the bride's sister, Mrs. R. C. Hale, Montague, California, October 17, 1917, was that of Miss Ida May Woods and Joseph Lawrence Van Blaricom. The bride has lived most all her life here and is prominent in church, social and business circles, having been city recorder the past four years. The groom is also well and favorably known, being one of the leading merchants of the town. Both are Friends. They will reside at Mr. Van Blaricom's home, 900 Sixth street.

IN SCHOOL DEBATE WITH

HERBERT C. HOOVER

E. H. Woodward, of Newberg, Oregon, is in the city the guest of his son, Walter C. Woodward, secretary of the Five Years' Meeting, Mr. Woodward, Sr., being here as a delegate to the latter, this being the third consecutive time he has been a delegate to this body.

Mr. Woodward has been the editor of the Newberg Graphic since 1890, and is president of the board of trustees of Pacific College located in Newberg.

A recent issue of the Graphic contained a picture of Pacific College when the latter was an academy, and among the group of students is to be seen Herbert Hoover, the United States food commissioner, who went to school there when a boy.

"Although I was several years younger than Mr. Hoover," said Walter C. Woodward, "we were in the same debating society in the academy and we used both belong to a Band of Hope current at that time and we had a rousing debate once, I think, on the subject, 'Resolved, That more men have been destroyed by liquor than by war.'"—Richmond (Ind.) Item.
