Mr. and Mrs. H. H. Livengood who have both been quite sick for some time, are reported to be slightly better.

Our teachers are very busy getting their program ready for the Junior Red Cross benefit to be given on the evening of Washington's birthday.

Mr. and Mrs. George Hobson, Mr. and Mrs. Ray White, from near Wasco, and Mrs. Arthur Baird, of West Timber, are here to assist in caring for their father, T. E. Hobson, who is still seriously ill.

James Kersey, an old and respected citizen of this community, died very suddenly of heart trouble Friday morning of last week. The family have the deep sympathy of their many friends in Fernwood.

E. H. Ross, of Bend, who was the victim of a serious accident in a saw mill last December, has so far recovered as to be able to visit his mother, Mrs. H. C. Ross, where he will still farther recuperate a few days before returning to his home.

About nineteen members of the Red Cross Auxiliary were present at the meeting at Mrs. Nelson Brouillette's on Thursday, and a good day's work was done. They are turning out a goodly number of garments for our soldiers and there is still great need. We hope every member who possibly can do so will come.

A missionary topic will be the subject for discussion at C. E. next Sunday. The topic will be "The Power of the Cross in Asia" and the meeting will be in charge of the missionary committee of the society.

Attendance at Sunday school and church is on the increase but there's room for many more. Sunday school at 10 o'clock a. m. every Sunday, DeVere Fendall superintendent; preaching service at 11 o'clock, Rev. F. C. Stannard pastor. Your presence is requested at both services.

CHEHALEM CENTER

The J. G. Morgan family have been on the sick list but all have recovered.

Harry Crater had an attack of appendicitis the first of the week but is on the way to recovery.

Miss Nancy Atkinson spent the week here among friends, renewing old acquaintances. Miss Atkinson came in from the Alberta

country in December and expects to return sometime in March.

Last Saturday being the anniversary of Aubrey Tangen's birthday a number of his friends gathered at his home to spend the evening. Many games were played and music rendered during the evening; a lunch was served, consisting of sandwiches, cookies and pickles. Every one seemed to enjoy the evening and remained until the "wee small hours."

Last Saturday the ladies of the W. C. T. U. held their Institute at the school house and although it was a very rainy day a good program was carried out. Miss Edith Walton gave a reading, "The Mother's of Men;" then followed a discussion on food conservation. There was music by the Misses Christine Meyer and Clara Staley. Miss Edith Minchin, Vice President of the county W. C. T. U., was present and gave a very profitable talk on the department work of the Union. Luncheon hour then followed which all enjoyed. In the afternoon Mrs. Lotta Hannon of Newberg, gave such a splendid address encouraging the W. C. T. U. to press onward and not be slackers in the work. Mesdames Meyer and Walton favored the meeting with duets and the children gave a flag song, thus closing a very pleasant and profitable institute.

Monday evening the Parent-Teacher Association gave a program. The school children gave a play, "Rip Van Winkle," Barbon Graves representing Rip very nicely. The girls all looked nice in their Dutch caps and girdles and acted well their parts. The Misses Emma and Edith Fort, Nina Johnson, Clara Staley and Christine Meyer all gave several numbers of music. As the last stanza of "The Star Spangled Banner" was played Mr. F. L. Strait stepped up on the platform and unveiled a large framed Roll of Honor for the boys enlisted in the army from Chehalis Center. Mr. Strait then delivered a splendid address, explaining why we were doing this honor to the soldier boys. He gave in well chosen words all honor to the boys who responded to their country's call to help free the world for democracy, explaining how those at home should conserve on food stuff, buy Liberty Bonds, Thrift Stamps, help in Red Cross, Y. M. C. A., etc., and encourage the boys all ways possible, while engaged in the terrible war.

NO REASON TO COMPLAIN

The Actor—Here, I don't want this part. If I play it I'll have to die in the first act.

The Manager—Well, what are you kicking about? You die a natural death, don't you? If you got a chance to come on in the second act you'd get killed.

SHARK ARE QUITE PLENTIFUL

Steaks Promise to Be Ample to Supply Demand and Price Should Be Within Reach of All.

Harry Goukler, has written President Leeds of the Atlantic City chamber of-commerce, to the effect that when the Hoover propaganda has created a market for shark steaks as a substitute for meat, fishermen will be in a position to provide a virtually unlimited quantity of this latest addition to America's emergency food supply.

"The ocean is literally full of this kind of meat and it can be marketed to sell at a fair profit at from four to six cents a pound," declared Goukler in his letter. "The kind of shark which the federal bureau of fisheries is recommending to the public for use as food is not the large sharks now being used to a considerable extent to replenish the leather market, but small codfish sharks weighing from eight to ten pounds, which follow the cod in their movements along the coast. Their flesh is very pleasant.

"They are very plentiful along the coast when the codfish are running. During the cod season last winter fishermen pulled as high as 6,000 to 7,000 pounds of them a day from their fishing gear and threw them back into the ocean, because there was no market for them."

PERQUISITES.

"The head waiter seems to scorn my modest tip."

"Did you offer him real money?"

"Yes."

"No wonder he scorned the small change. What's money to a man who can collect all the left-over bread and beefsteak and potatoes and everything?"
