WEST CHEHALEM

S. M. Calkins spent the week end at home.

Mr. and Mrs. E. G. Fendall and family were Sunday guests at the H. C. Baker home.

I. E. Sherwood, who has been working in Portland during the winter, has come back to the farm to stay for a while.

M. D. Ebert has purchased a new Ford. He couldn't "afford" to let his neighbor, N. P. Nelson, get ahead of him.

The meeting of the C. E. society next Sunday evening will be led by Miss Ethel Bush. The topic is "How and What to Read." All young people are requested to attend.

Last Sunday the pulpit of the church was occupied by three young men from Pacific College. They were Walter Cook, Cecil

Pearson and Belvin Vincent and the talks which they gave us were enjoyed by those present.

W. W. Lunger, candidate for county judge, Robert Cusick, candidate for state treasurer, and J. Carl Nelson, candidate for county commissioner, were dealing out political handshakes at the auction sale at A. C. Seely's last Saturday.

Next Sunday, Prof. Varney, of McMinnville College, will preach at the West Chehalis church at 11 o'clock a. m. In the evening he will hold services at the District No. 61 school house. Everybody is requested to be present at both meetings.

On Thursday evening, April 25, Prof. Beckwith, of O. A. C., will give an "anti-fly" lecture at the West Chehalis union church. Prof. Beckwith is an expert on the fly subject and is giving lectures throughout the state in

the interest of the campaign to exterminate the house fly. The meeting is open to all who wish to come.

REX

Prof. Shambaugh, of Pacific College, will preach at the church Sunday evening.

Mrs. F. Schwartz attended the funeral of Mrs. Nellie Thomas in Sherwood Sunday.

Mrs. G. V. McClure, Mrs. J. Ditto and Miss Nellie Crow attended the convention of the Christian Endeavor in Portland Saturday.

Rev. G. V. McClure preached his anniversary sermon Sunday evening, and all are hoping that he will remain in the community for another year.

Francis Jenkins who is stationed at Camp Lewis spent Sunday with his folks before leaving for California where he and William Wiley expect to be transferred.

Miss Maude Gustin visited her sister, Mrs. Q. M. Keiling, and family Saturday. She was accompanied home by Mrs. Keiling and small son, who remained over Sunday.

The Christian Endeavor Society will hold a social Friday evening at the home of C. C. Harman. Wartime refreshments will be served and a general good time indulged in.

Andrew Jensen an old employee of the Huber Construction Company was instantly killed at the rock quarry at this place Friday. The coroner from McMinnville was called who took charge of the body, but owing to the death being purely accidental, no inquest was held. The deceased left no known relatives in this coun-

try being a native of Denmark. He left considerable money, several thousand dollars being invested in liberty bonds and on deposit in a Portland bank. An effort is being made to get in touch with friends or relatives, and in the meantime the body is being held in Portland.

RIBBON RIDGE

Mr. and Mrs. George Vanosse are in Portland this week.

The N. P. Nelson family were Ridge visitors on Sunday in their new Ford.

J. T. Carter and James Hyatt were soliciting for the Liberty bonds on the Ridge this week.

Miss Cecil Deach, of Lakeview, was a visitor at the America League meeting on Wednesday.

Mr. and Mrs. George Carter were callers at the home of Mr. and Mrs. Evan Carter on Thursday evening.

The prune men are all getting cross-eyed with keeping one eye on the weather man and the other on the Kaiser.

The roads must be in a deplorable condition as it is rumored a new Ford car got stuck going down the Grover hill.

Emel Jensen has sold his stock and implements and rented his farm to Albert Kennitz for five years, and has enlisted in the aero department.

The "America League" had a successful meeting at the home of Mrs. Lou Carter on Wednesday. The ladies are sewing for the refugees at present.

If all sections of the United States had done as well as Ribbon Ridge Uncle Sam would now have a volunteer army of 4,000,000 men. Out of a total population of 104 in school district 68 four have enlisted.

DUNDEE

Miss Viola Scott and Arthur Scott came up from Portland to spend Sunday with the home folks.

Subscriptions to the Armenian fund are still being received and it is estimated from outstanding promises that our amount will be \$135.

Mrs. H. Kerr, of Falls City, was a guest of her sister, Mrs. Charles Robertson, for the week end. Mr. and Mrs. Paul Bliss, of Gresham, were also visitors at the Robertson home on Tuesday.

Mr. and Mrs. John Edwards made a Saturday-Monday trip to their Tillamook ranch a week ago. On the way out they met a government truck bringing out spruce timber. It carried 3,000 feet of split spruce, each piece 28 feet long.

Three times over the top, \$15,350 and still coming. Not having a bank, there was no specified allotment for Dundee in the Third Liberty Loan drive, but compared with the required amount from surrounding cities, it is supposed our apportionment was about \$5,000. A full report has not yet been made but it is expected that it will be near the \$16,000 mark. So once more Dundee leads the county and her citizens are justly proud of her expression of loyalty.

The first word that Dundee has received from the trenches came Saturday when W. S. Allan received a letter from his son, Alfred, who is with an Iowa regiment. The letter was brief but written in good spirits, the only reference to the battle of the early part of March being, "We have been in the trenches and have come out with credit to the bunch." He speaks of receiving seven letters from home and sends a "hello" to some of the neighbors, promising a longer letter later.

At the last business meeting of the Red Cross the following report was given for work done from November 2 to April 5: 132 pajama suits; 21 hospital coats;

48 bed shirts; 36 arm slings; 79 body braces; 234 linen pieces (donated); several infants garments for the Belgians; 2 mufflers; 18 pairs wristlets; 11 helmets; 101 sweaters; 172 pairs socks; 10 scrap books; 600 pounds clothing for the Belgian Relief donation; 135 pounds food and clothing for the superfluous shop; and 18 small packages for our own home boys.

The local troop of Boy Scouts of America gave a luncheon at the community hall in honor of their fathers last Friday evening. About thirty men and boys sat down at the table and were served, by darkies (of local talent). Mr. James E. Brockway, Scout executive of Portland, made the address of the evening on Scouting, an educational method for efficient manhood. He said that out of the 1200 Boy Scouts in Portland last year all except two had school records showing an increase in scholarship for each month of the school year and were ranked among the first class students of the city.

On Saturday evening all Dundee joined the children in their evening's frolic. A "society circus" was the big event and the teachers and children who planned and executed the affair are to be congratulated on the success of it. Community Hall was lined with booths and concessions and a score of clowns and "speilers" drew attention to the various attractions. "The Allies," the "which-a-which-a-kids," "fortune teller," "dog show," "Yamma Yamma Girls," "snake charmer," "wild man," and baby show, were taken in by the good natured crowd that was properly "taken in" in return. While all the shows were good the baby show was the star attraction, "Sambo," the fat baby, the "terror of the nursery" and the "butter milk twins" being greeted with shouts of laughter. The ice cream, popcorn, "weeny" and "pink" lemonade booths were well patronized, the only thing missing to make it a real circus being the peanuts. Perhaps they were omitted on account of there being no elephants. (The next time a circus is given in Dundee please have the elephants and peanuts) A concert very fittingly followed the circus, at which the following program was given:

- A Report on Liberty Loan Drive..... W. S. Allan
- Song..... Primary Grades
- Two Songs..... Prof. Powell's Class
- Solo..... Prof. J. P. Powell
- Piano Solo..... A Yamhill Visitor
- Hoop Drill..... Ten Little Girls
- Song..... Emil Worsky
- Song..... Miss Miles Class
- Song..... Primary Grades
- Pantomime..... Y. M. P. C.
- Recitation..... May Magnus
- Song..... Rev. J. Stanford Moore
- Military Drill..... Primary and Intermediate Grades
- Trio..... "Yamma Yamma Girls"

The whole program was well rendered and thoroughly enjoyed. Of especial interest was the singing by Prof. J. P. Powell. Mr. Powell will have his eighty-sixth birthday in a few days. His well preserved voice, entirely lacking the tremolo that accompanies age, was a surprise and delight to his hearers, who emphatically demanded an encore. The "surgical operation," a Chinese pantomime in which Rev. Moore, James Allan and Fred Hutchison figured was literally a howling success. The school children are pleased that the receipts from the evening's performance will nearly pay the balance due on their victrola.

Extra-Tested RACINE Country Road and Multi-Mile Cord TIRES

5,000 Mile Guarantee

What Extra-Tested Means to You

Racine Country Road and Multi-Mile Cord tires—Extra-Tested through every step in their construction—bring extra tire value to the man who seeks the utmost in automobile utility. The Extra Tests are your assurance of more miles and more all round satisfaction.

Note These Extra Tests

The Extra Test for perfect fabric; the Extra Test for tensile strength; the Extra Test for rubber fitness; for accurate compound; for "frictioning;" for carcass smoothness; for tread proportion; for even cure; for general wearability. And one inspector works with every seven tire builders to insure the uniformly high quality of each tire.

Each Extra Test shows in long time service. Each means better tire service for you. You'll know a new standard of tire value when you know Racine Country Road or Multi-Mile Cord Tires. Also red or gray tubes.

For your own protection be certain every Racine Tire you buy bears the name

RACINE RUBBER COMPANY, RACINE, WIS.
