A thrilling story, written and pictured to show the
Boy Scouts at work. You probably have never realized
what a tremendous organization the Boy Scout move-
ment has become, or how vitally important it is to our
country's welfare.

The boys want 1,000,000 new members. Those who are too young to fight are trying to do their bit. It's up to you to encourage them. Come and see this wonderful picture and you will be a booster for the Boy Scouts of America.

"Sir Robert Baden-Powell with his photo-
play becomes an im-
portant addition to the
list of world cele-
brities who have be-
come motion picture
heroes. He has pro-
duced a thrilling pho-
to-play of general in-
terest and constant
thrills in which the
work of the English
boys is cleverly shown

in the plot and in their
ability in aiding their
King."—New York
Evening Telegram.

"The story of the
picture is a dramatic
one and introduces in
a story of general in-
terest the training that
the Boy Scout receives
in meeting emergen-
cies and aiding himself
and others."—New
York Evening Sun.
