

# NAYBERGER'S IMMENSE UNLOADING SALE!

NEVER in the history of this Store has a Sale been of such an imperative importance to the general public as at the present, because coming at this opportune moment when you are most in need of your Winters' supply and when prices are to be considered, you can purchase the articles you need at such a great saving that you cannot afford to let the opportunity pass by. Conditions that no one could foresee are forcing us to make these radical reductions, as many families have gone from our community and large numbers of our young men have answered the call to our colors, then coming—just when our season should have been best—the influenza and subsequently the ban put upon the towns all united in helping to keep our customers away and hence a decline in trade, so this is your prime opportunity at saving. Come in and see for yourself (bring your whole family, we can interest each and everyone) and you will be surprised at the limitless bargains. Don't wait, come early and get first choice while the stock is complete. Nothing Reserved Everything On Sale!
