The Valve-in-head-type engine illustrated here, like all internal combustion engines, requires an oil that holds its lubricating qualities at cylinder heat, burns clean in the combustion chambers and goes out with exhaust. Zerolene fills these requirements perfectly, because it is correctly refined from selected California asphalt-base crude.

ZEROLENE
The Standard Oil for Motor Cars

It Keeps the Engine Young!

Zerolene keeps the engine young—full-powered, smooth-running, and economical in fuel and oil consumption—because it is correctly refined from selected California asphalt-base crude. Gives better lubrication with less carbon. Made in several consistencies. Get our Correct Lubrication Chart covering your car.

WORSHIP THE CHRIST

Faint through the darkness of a Syrian night.
Appeared the star—that pale and mystic light
That as it rose increased till from aloft
It flooded heaven and earth with radiance soft.

Straight-tithing peasants wakened from their sleep,
And drowsy herders of the huddled sheep,
Dumb in their terror at the wondrous sight,
Fell on their faces to the heavenly light.
Their fearful worship, angel chants decreed,
"Seek ye the Christ—this star be but the guide!"

Though centuries have wasted since that time,
And sacred is His name in every clime,
Methought this night a heavenly chant did say,
"Worship the Christ—not the mere splendor of his day."
—Louise Basford, Route 1, Newberg.

DUNDEE

Mrs. G. A. Dearborn was a Portland visitor on Wednesday.

Charles Robertson has gone to Sheridan after a visit of a few days in Dundee.

John Edwards, who has had a severe illness, is able to sit up a short time each day.

On Friday and Saturday the Dundee Woman's Club will hold a candy sale in the Edwards' building.

Fred Herring's most valuable horse was badly cut with a wire just above the hock last week.

Mrs. Willis Bradley, of Hood River, has returned home after a two weeks' visit at Otterbrook.

Rev. Rees, of Amity, has been appointed pastor of the Dundee church and will hold regular Sunday services here.

The Ladies' Aid Society of the church had a pleasant afternoon social at the home of Mrs. Dearborn on last Wednesday.

Mr. and Mrs. Michael Mueller have sold twenty acres of their Dundee prune orchard to Joseph Hollingsworth, of Newberg. Mr. and Mrs. Mueller retain their home with several acres of prune orchard around it.

On Saturday the Y. M. P. C. had a delightful social at the home of Mr. and Mrs. W. S. Allan. Games and refreshments were the order of the evening. Those present were: Pauline Powell, Hazel Pierson, Gladys Johnson, Harriett Saylor, Mabel Swink, Ruby Dodd, Doris Parrett, Isabella Allan, Bernice Keyes, George Trunk, John Trunk, Robert Bennett, Ralph Bennett, Orland Warner, Henry Billich, Lorenzo Walker, Gleason Johnson, William Hutchison, Ernest Leland, Francis Keyes, Fred Hutchison, Uel Marr, James Allan, Ray Allan.

On Monday the community was saddened by the news of the death in action of Robert L. Henry. Mr. Henry was teacher in the eighth grade in our school, resigning his position in the middle of the spring term to join the company of National Guards of which he was a member when our American army was mobilized. He has seen service at the front for some time, word having come from some of the boys over there of Mr. Henry's activity and bravery in the Engineering department. Mr. Henry was highly esteemed in the community and his loss is keenly felt.

The annual meeting of the Dundee Red Cross was held on Saturday evening. Reports from the various committees were read and the election of officers held. Thomas Warner was re-elected chairman. Mrs. Ralph Olmsted, vice chairman. Mrs. R. W. Swink, secretary-treasurer. The chairman re-appointed Mrs. E. S. Greer chairman of the military relief committee, and Mrs. E. U. Marr and Mrs. Michael Mueller associate members. At the called meeting on Tuesday the ladies voted to retain Mrs. Wm. Greenwell, Mrs. E. H. Anderson and Mrs. Wm. Allan on the committee. It was decided not to have a sewing meeting on Tuesday, the day before Christmas, but to meet again on Tuesday the last day of the year. There is much need of help in sewing and an urgent appeal is made to the loyal women of Dundee to again take hold of the work.

NO FRIEND

Mistress—When I engaged you, Mary, you said you had no men friends. Now, almost every time I come into the kitchen I find a man there.

Mary—Lor' sakes, he aint no friend of mine!

Mistress—Then who is he?
Mary—My husband.—Stray Stories.

Our faithful mail carrier, Roy Hanville, on route 2, was unable to be on duty Monday, being confined to his bed with the influenza. It is needless to say he was greatly missed in this neighborhood.

The Fernwood Sunday school will give a Christmas program at the gymnasium on Monday evening, December 23, at 8 o'clock. A good program is being prepared, and a hearty welcome is extended to all who care to attend.

George Scherf and his daughter-in-law, Mrs. A. B. Scherf, left last Friday for Charles City, Iowa, and other points in the state where they once lived. They expect to make an extended visit, intending to be gone about two months. While there they will visit with Mr. Scherf's son, Elmer, and also with Mrs. Scherf's parents.

REX

Jack Sawyer is recovering from a siege of the flu.

Miss Olive Jenkins left a few days ago for Salem where she will spend the holidays with her sister, Mrs. Ford Boyd.

On account of the prevalence of influenza in the neighborhood it was thought best to again close the school until after Christmas.

Mr. and Mrs. L. Reed Chambers, who recently moved out from Portland, are living in the A. H. Dean house and Mr. Chambers has joined the other daily commuters who work in Portland.

Dr. Smith had a busy day in Rex Tuesday week when she was called out to attend Merrett Woodworth, who has a bad cold, Mrs. A. L. McCaffery, Melvin Peters, who injured his right hand, and Jack Sawyer with the influenza.
