The scene shifts rapidly with the Tualatin Valley News, of Sherwood, there having been many changes of publishers in the past few years. Recently E. O. Shepherd, the owner of the plant, returned to Sherwood and again assumed the management of the paper and just as we were concluding that he was there to put some of his old-time pep into it he announces that he has leased the plant again, this time to one Charles B. Hodgkin. Evidently there is enough business at Sherwood to give a local paper fairly good support, but so many changes in the management of a paper is not calculated to inspire confidence on the part of the public.

The new proprietors say they realize they are up against a hard proposition, owing to the fact that the laundry has been so poorly managed in the past, but say they are here to do business as it should be transacted and all they want is a fair trial at the hands of the public. A look through the plant will convince one that they know how a laundry plant should be arranged and they are entitled to a fair trial, which is all they ask.

A short business session was held at which time the society decided to hold its annual chicken pie supper February 22, to which everyone will be cordially welcomed. Miss Kappen, though little of stature, proved she had a mind which realized the great importance of missionary work being done. She talked without notes and held the attention of each one throughout her discourse. Her theme was the first four words of the Bible, "In the Beginning, God." She gave instances in northern India and other places where the natives are beginning to put God first and are coming to Him by the thousands. She said we must put God first in everything we undertake to have success. Our society will meet Friday of this week at the parsonage for its regular missionary session at 2:30, come and help make it a good meeting. LINCOLN-NEWBERG HIGH SCHOOL BASKET BALL GAME

In one of the fastest games ever played on the local floor Lincoln high school of Portland won a hard earned victory by a score of 34 to 24. During the first half the score wavered back and forth in a manner that kept the spectators on edge all the time. Lincoln scored the first four points, then Newberg the next five. From that time it was give and take until just before the close of the half when a couple of baskets, one a chance long shot by Craw, placed N. H. S. in the lead with the score 15 to 10.

During the second half the N. H. S. boys failed to maintain the hot pace set by the visitors, and the game ended with the score as given above.

The line-up:
