The Red Cross unit is meeting this week probably for the last time.

Mr. Smith has had a Happy Farmer tractor demonstrating at his place and it demonstrated many things.

The entertainment at the school house Saturday evening was very much enjoyed and Mr. Davis was prevailed upon to give a sacred concert Sunday evening which also was good.

School will be out at District 10 Wednesday, June 4. A ball game with the Boy Scouts of Newberg will probably be played that afternoon, depending on whether or not the Scouts can be induced to come out and be drubbed.

Next Monday evening there will be at the District No. 10 school held a War Savings Stamp meet-house under direction of the school board. P. Waldo Davis, who gave the musical entertainment of last Sunday, will be present that evening to assist in the program.

Sunday will be Mr. Shambaugh's last day with us at the church and an all-day farewell service has been arranged. The morning service will be as usual with Sunday school at 10 and church service at 11. Dinner will be served by the ladies at noon and the afternoon will be given over to sociability. Don't let Shambaugh get away without hearing him once more. We never fully realize the worth of anything till we have lost it.

John Taylor, 19th Aero Squadron, American Expeditionary Forces, is also at home. John is assuring us that he still has the same head that he had when he left here, although a rumor was once afloat that it had been blown off.

Sergeant Elmer T. Warner of Evacuation Hospital No. 1, American Expeditionary Forces, arrived home last week. Elmer was a victim of the flu while in France but has fully recovered and is now the very picture of health.

The special guests were Doris Herring, Alida, Mildred, May Elleene and Isabella Wilson, John and Bernard Herring. The ladies present were Mrs. Jas. Herring, Mrs. John Herring, Mrs. William Wilson and Mrs. R. A. Olmsted.

On Sunday afternoon at 2:30 Memorial services will be held in Community Hall, under the auspices of the G. A. R. and W. R. C. Representatives from Newberg will be present and all members of the Spanish-American War, World War, and S. A. T. C. will be guests of honor. A cordial invitation is extended to everyone to be present and do honor

to the heroes who have given their lives for the principles for which this Republic stands.

Archie B. Abdill, 27th U. S. Aero Squadron, American Expeditionary Forces, has returned from overseas. Archie wears a big A as he was a member of the first American army in France. He was among the first Aero men from the U. S. to reach France, having had nine months of intensive drill in our southern states. There were only 152 men of his particular class in all the forces from the U. S., and Dundee feels honored in having him represent this district.

On Saturday evening the Dundee Woman's Club entertained delightfully the members of the community. All age limits were removed for the evening and everybody played games until appetites were keen, then enjoyed the coffee, sandwiches and cake served by the ladies. During the evening Dundee's members of the G. A. R., World's War and S. A. T. C. were presented with a beautiful bouquet of roses, just a little testimonial of affection from the club. Everyone present had such a good time that frequent requests were voiced for another evening of the same kind.

Lieutenant Alfred H. Allan and bride, nee Miss Ellen Hiatt, of Des Moines, Iowa, arrived at Park Hill Home on Friday evening. Alfred was the first Dundee boy to volunteer, joining the National Guard, when trouble broke out on the Mexican border. He was then in Iowa where he had gone to take a special course in mechanics. After serving all through that period, when he went back to Iowa and was mustered out of active service, he was made supply sergeant of his company. He was at home in Dundee on a visit when America entered the war. He was recalled to his former position and went to France as supply sergeant of Co. B, 168th U. S. Infantry, 42nd Division. He shared in the activities of this, the Rainbow Division, until just before the armistice was signed, when he was sent to an officers' training school in Southern France. He received his commission in April and returned with his company to Iowa two weeks ago. Mrs. Allan has already won the hearts of those who have met her and a hearty welcome is extended to the happy couple.

Last Thursday evening Mr. Mars, Industrial Club organizer, gave his illustrated lecture before the members of the club and a few parents, showing vividly what has been achieved by boys and girls through the inspiration and direction of this movement. The Dundee unit consists of the following persons: In cooking, Opal Hess, Hazel Anderson, Sarah Larsen, Blanch Cummins, Anna Schmid, Lois Van Dermullen, Grace Johnson, Centh Eames, Avis Eddens, May Groth, Beasle Ake, Gladys Roberts. On Monday evening Dundee honored her returned boys from overseas and from the home camps and the S. A. T. C. boys with a reception and social held in Community Hall. In spite of the rain everybody with but few exceptions was there and it was probably the happiest gathering of people ever assembled in Dundee. Seven of our overseas boys are at home absolutely well and uninjured and Dundee was jubilant at having an opportunity to meet them individually and give them the hearty welcome. The home boys, too, came in for a full share of honors. Though the fortunes of war decreed that they should serve in home camps, their willingness to go was the same as those who were taken across and there is no distinction in honor to them; the only difference in feeling being a deeper sense of thankfulness that the boys who faced the dangers abroad have returned well and unmaimed. An informal reception was held followed by a program of music and short speeches. After the program the Dundee Red Cross served ice cream and cake, and a general social time was held, and midnight came all too soon for the

happy people were reluctant to leave. Following is the program: Invocation.....Rev. Geo. H. Greer

Archie B. Abdill, John Taylor, and Cook Dwight Alderman, with compliments of the Dundee community. Presentation Speech, William Wilson Reply on Behalf of the Boys.....Lieutenant Allan
Then the Red Cross "Egg Brigade" filed past the boys, shaking hands with each. This closed the formal program. During the evening the social part of the evening music was furnished by Miss Frances Roehli, Miss Bernice Keyes, Miss Arlene Dillinger and Miss Eleanor.

Country's Lumber Production.

A total lumber production of 22,700,000,000 feet is the estimated cut for the year 1918 on the basis of partial returns received by the forest service of the United States Department of Agriculture from 713 sawmills, each of which cut 5,000,000 or more feet in the year 1917 or 1918. In 1917 the total production amounted to 36,000,000,000 feet. The decrease in 1918 is not confined to any one region but is general. It is largest in the southern and eastern states and least in the western states.
