DUNDEE

A number of Dundees are enjoying the rose festival in Portland.

Mr. and Mrs. W. S. Allan and Lieut. and Mrs. Alfred Allan motored over to Tacoma last week where they visited Mr. and Mrs. Bruno Homberger.

Michael Mueller has been notified that he is one of the two persons from Yamhill county to receive a German helmet given to the largest individual subscribers for Liberty and Victory bonds.

The members of the Dundee Woman's Club had a pleasant afternoon last Thursday. After the business meeting Mrs. Hutchinson, the hostess, took charge. After a program of readings, refreshments, consisting of nuts, mince pie and lobster tarts, were served.

Green peas and new potatoes at Otterbrook this year on June 5. It has long been the ambition of the assistant gardener at Otterbrook to beat Prof. Powell and B. S. Hunter in some phase of gardening. This year the almost impossible was attained. But to make this news item complete one needs Neighbor L. J. Edden's story of "Plenty of soup on 'em."

The graduating exercises of the Dundee schools were held at Community Hall on Thursday evening. There were three graduates from the high school and eight from the eighth grade. Following is the program:

- Instrumental Music.....Miss Blythe Owen
 - Presentation of Eighth Grade diplomas by Prof. Anderson to Aris Eddens, Lois Vandermullen, Chas. Bennett, Ernest Bennett, Sarah Larsen, Inez Anderson, Fieta LeRand and Paul Niederburger.
 - Vocal Solo.....David Marr
 - Essay, "Over the Top".....Glady Johnson
 - Essay, "Where Do We Go From Here?".....Alice Horne
 - Essay, "Submarines".....Uel Mair
 - Address, "A Boy's Dream".....Prof. James T. Matthews, Willamette University.
 - Vocal Duet, "Whispering Hope".....Mrs. Hartley and Miss Horne
- On Tuesday the Dundee schools

closed for the summer vacation. As usual, Dundee turned out in full force to enjoy the day with the children. In spite of occasional showers, a girls' ball game, flag drill and a few sports were given, followed by a community sing of familiar plantation melodies. Then came the wonderful picnic dinner served in cafeteria style. The afternoon program closed with an address by Co. Supt. S. S. Duncan. Mr. Duncan chose for his subject, "The Stamp Drive," giving four reasons for the drive and three lessons to be learned from them; and for the latter part of his talk, "Commencement Addresses." Mr. Duncan is always popular in Dundee and never more so than on this occasion when his talk on education and reasons for it was particularly practical and pleasing. The speaker disagrees with the noted educator who says, "Don't hang a seventy-five-dollar education on a seventy-five-cent boy." Mr. Duncan says, "The seventy-five-cent boy is the one who needs the seventy-five-dollar education, yes, a one-hundred-and-fifty-dollar education. The seventy-five-dollar boy will get it anyway. The more education any boy or girl has, the more opportunity he or she has for happiness and service."

BAPTIST SUNDAY SCHOOL PROGRAM

The Children's Day program at the Baptist church Sunday evening was beautifully exemplified. With a good audience to appreciate, the children did their best to hold the attention of all. Our Baptist Children's Day offering is sent to the Baptist Publication Society to be used by it in the printing of Bibles and Sunday school papers and other good literature. Carrie O. Milspaugh, one of our loved Home Missionaries, was with us and explained the good this society is accomplishing by giving Bibles to the Indians. All who do not attend Sunday school elsewhere are cordially invited to come to the Baptist school.

A PLEASANT SURPRISE

REMARKABLE RECORD OF THE BANKS

While railroad forces have increased and they are a burden on the tax payers under government operation, banking has paid heavier taxes, rendered greater service and has not increased fees.

Banking rates of interest have been lowered during the war period, and the volume of community work has doubled and trebled, for nearly every bank because headquarters for war drives.

Of course, no one thinks of a bank as being conducted except on strict business lines, and no one stops to give a bank any particular credit for anything it does for the individual or the community.

But assured of healthy banking conditions, and an abundance of money and credit to meet all natural and legitimate requirements, industrial enterprises throughout our country can proceed with confidence and security.—Oregon Manufacturer.

"THE SECOND MILE," PORTLAND JUNE 19-22 FIRST PRES. CHURCH

The theme of the coming convention is, "The Second Mile." Do you notice how nicely that combination of words blends into the single word Smile? That's why this is called a Smile convention. And doesn't the word Smile sum up the whole spirit of the Second Mile?

And, say, if you think that this convention is going to be a sober, somber affair, get that idea out of your head quick!

Does our program look like a long-faced proposition? Does the Saturday track meet look as though it would be dull and uninteresting and unenthusiastic? Do the big banquets look unattractive to you? Do the special trains look dull? Do the big union "stunts" look sleepy? Do the conferences look unpractical and out of place? And do not the big devotional meetings—especially the great Auditorium meeting—look like events of great, genuine, vital, consecrated Christianity—the kind you can have and that will make you happy seven days a week? Come to Portland.—Smile Sheet.

FEDERATED WOMAN'S CLUB OF COUNTY MEET AT McMENVILLE

Upon invitation of the Woman's Clubs of McMenville, the Yamhill County Federation of Women's Clubs met in that city on Saturday, June 7. The session was held in the spacious auditorium, which was beautifully decorated. The president, Mrs. C. H. Kalkrebocker, of Sheridan, gave a splendid address.

The convention went on record as endorsing Miss Mattie Beatty, of Salem, for the state presidency of Federated Clubs.

The convention was greatly honored by the presence of the state President of Federated Clubs, Mrs. C. H. Castner, Vice President Miss Mattie Beatty, Past President Mrs. Sarah A. Evans, Mrs. Tiffe, Mrs. Pettinger, of Portland, and Mrs. John Vert, of Pendleton, who accompanied Mrs. Castner.

All these made instructive talks and Mrs. Elizabeth Eggert, of Portland, also gave a condensed report of the Scholarship Loan Fund, of which she is trustee.

The following officers were elected for the ensuing year: President, Mrs. F. H. Buchanan, of McMenville; vice president, Miss Jennie D. Miller, of Newberg; secretary-treasurer, Mrs. Angie Graer, of Dundee; auditor, Mrs. Breeding, of Amity; executive board, Mrs. Graham, of Cove Orchard, Mrs. Sherman, of Dayton, Mrs. Belt, of Willamina, Mrs. W. W. Carl, of Carlton, Mrs. O. O. Hodson, of McMenville.

YAMHILL COUNTY DRIVE FOR SALVATION ARMY FUNDS

The Salvation Army drive for funds for Home Service Work has been taken over by the B. P. O. Elks and in Yamhill county the drive will be conducted by McMenville Lodge No. 1282. The county organization was effected last Thursday evening by naming Hon. W. B. Dennis, of Carlton, as county chairman, Chester Campbell, of McMenville, as secretary, Ralph Wortman

as treasurer and J. I. Knight as county publicity chairman. W. T. Macy is the Lodge chairman.

The appointment of committees in the different communities of the county was made and the county is to be covered thoroughly and all will have a chance to give in support of this most worthy organization. It is the plan to have the drive start on June 28 and finish Thursday evening, June 19, at the lodge meeting where a final accounting will be had.

Yamhill county's quota is \$6,500 and none should get the idea that the giving is to be confined to Elks, for all who can and will do so are urged to give and thus relieve the "Tampouine Girls" of their arduous task of raising funds on the street and release them for their errands of mercy for which they are so world-wide famous.

Let us all go over the top with a rush on June 19.

J. I. Knight,
County Publicity Chairman.

Ask Your Boy

When the fighting was thickest—
When the suffering was greatest—

Where was THE SALVATION ARMY LASSIE?

He'll say:

"She was right on the job"

And now, back home—in the byways and hidden places—where misery always lives, where a mother needs a home, where men, women and children are on the downgrade, she's still "RIGHT ON THE JOB."
