RECITALS AT COLLEGE

The recital programs which were postponed because of the severity of the pre-holiday weather, will be given by the college music department in Wood-Mar Hall on Monday, January 26, and Friday, January 30, at eight o'clock in the evening. There will be vocal, piano and violin numbers given by the pupils of the department, and both evenings should be very interesting to those who are fond of music. The public is cordially invited to be present at these recitals, for which no admission fee is charged.

AMERICAN LEGION AUXILIARY

The mothers, wives, daughters and sisters of all ex-service men are asked to meet Wednesday evening, January 28, at 8 o'clock at the American Legion hall to perfect organization. You helped the boys while over there. Your help is needed just as much now we have them home.

In union there is strength.

Marie K. Evans,
Temporary Chairman.
Myrtle McDonald,
Temporary Secretary.

New Tires From Old

Discarding tires because the tread is worn usually means losing 75 per cent of the original investment.

With Miller Ad-On-A-Tires they can be rejuvenated—made almost as good as new—and oversize. Your tires will then deliver 100 per cent value on your investment.

Miller
AD-ON-A-TIRE
Geared to the Road

The Miller Ad-On-A-Tire is built of several layers of fabric—breaker strip sidewalls, and famous Geared-to-the-Road tread. It is really a tire in itself without beads. It is tough, long-wearing and buoyant. Bring us your worn tires. We will re-mille them with the famous Miller Ad-On-A-Tire. The many caterpillar feet engage the ground like cogs, insuring positive traction and safety.

Our process makes the Miller Ad-On-A-Tire an integral part of your old tire. After it is applied you cannot tell the old tire from a new. It can be used on any tire regardless of make. Come in and see this wonderful tire saver.
