NEWHOUSE STARRING IN BASKET BALL AT O. A. C.

From W. J. Dryden, of O. A. C., comes this news note:

Sewell Newhouse, of Newberg, and former Pacific College basketball star, played a brilliant game for the Fluor de Lis in their game against the Oneonta Club Thursday night.

Newhouse started the game by shooting two clean baskets in the first three minutes of the game. He was later successful in annexing three more baskets for the Fluor de Lis, winning by a score of 22 to 4.

This was the second game of the season for the intra-mural basketball league championship at the Oregon Agricultural College. Credit was largely given to Newhouse for the victory of the first game over the Tractor Club last week by a score of 17 to 9.

SUNDAY SCHOOL INSTITUTE

The people of Newberg may look forward to a pleasant and profitable Sunday school meeting, February 9 and 10.

Rev. Virgil C. Fennell, Field Director of Religious Education for the Brethren church, is touring the Northwest. He has set aside this date for meetings in Newberg. The principal purpose of the meetings will be to help Sunday school workers solve their many problems.

Beside the workers' meetings there will be an illustrated lecture each evening. For the subjects of these lectures see posters.

Mr. Fennell is well known throughout the country. Those who have heard him assure us that it will be worth while to attend his lectures.

Everybody is invited to attend these meetings. Sunday school workers will be especially welcomed.

SPRINGBROOK

Mrs. John Rees was in Portland several days this week.

Thomas Lemon had the misfortune to cut his hand severely a few days ago.

Spring is coming. Several "Cranes" have been seen in the neighborhood just south of Springbrook.

Mr. and Mrs. Fred Kincaid and family drove to Portland Monday afternoon in their new Baby Grand Chevrolet.

A meeting of the Springbrook fruit growers was held at the school house Tuesday evening. Another meeting is scheduled for next Tuesday evening.

The Springbrook school library received a few new books last week. The books were purchased with some of the money received for the Thanksgiving entertainment which the school gave two nights before Thanksgiving.

Old timers say that this has been the most severe winter that this part of Oregon has experienced for twenty-five years. But in spite of the severe cold several Millers are still to be seen hovering around the lights in Springbrook.

Victor Rees and Miss Ruth Wanless were married at the parsonage Tuesday evening. Rev. C. F. Miller performed the ceremony. They will live at the home of the groom's parents until they can move into the house now occupied by the Bisbees.

Axum Newby and Mr. and Mrs. Ray Newby with their two youngest children arrived home last Wednesday from California, where they have been visiting relatives and enjoying the climate. Ray says he enjoyed the trip but would not care to live there. He saw one sign which read: "A bargain if taken at once. \$3,000 per acre."

CHEHALEM CENTER

Allan Staley was in a Portland hospital last week having his tonsils removed.

J. H. Stanton left Monday for Portland for medical attention.

F. L. Strait was on the sick list the first of the week.

Arthur Ridgway and A. A. Post each have a new light Overland car.

D. P. Strait died Monday evening, after a long illness during the winter. Mr. Strait was a good citizen, kind neighbor and highly respected by all who knew him. He leaves, aside from his family, a host of friends to mourn his departure. Funeral services were held Wednesday at 1 o'clock in the Hodson & Elliott chapel in Newberg and the remains were laid at rest in the family burying grounds in West Chehalis.

Next Tuesday evening at the school house, what? A pie social. The gentlemen will all please bring pies. The ladies are to buy the pies. This is a benefit social for a good cause held by the W. C. T. U. ladies.

Fit Subjects For Deportation

It has been called to our attention that a certain party is complaining because we have hauled passengers in our truck, with a dealer's license, and threatened to have our license revoked. To all of this we plead guilty. Last Saturday night we hauled a number of American Legioners to St. Paul to give an entertainment for their benefit; all absolutely free of charge. This and like favors we hope and expect to do again, when similar occasion requires. The members of the American Legion offered their lives to our country and the world, and anyone who is so unpatriotic as to refuse to help them or try to prevent others from doing them a favor must be carrying a Red card, and we consider them fit subjects for deportation. S. M. Calkins & Sons. 1

Let Us Re-Mile
Your Worn Tires
And Make Them
Oversize

Worn tire casings are usually worth 75 per cent of the tires' original price. For a fraction of the original cost any casing can be made practically as good as new, with a Miller Ad-On-A-Tire.

Bring your old tires and we will re-mile them with the famous tread that is Geared-to-the-Road.

The Miller Ad-On-A-Tire is built of tough, buoyant rubber. It has several layers of fabric—breaker-strip, tread and side walls, which completely cover the tire and clinch under the rim.

Our process makes the Miller Ad-On-A-Tire an integral part of the tire. It cannot come loose or creep.

Fits all tires, regardless of make,
