Propaganda.

A doughboy who had just returned from Coblenz was talking to a very estimable elderly woman—a straight-laced church member.

"How did you like it up in Germany," she asked.

"Oh, we got along very well with the Germans," and, with a big, broad smile, he added, "and had all the good German beer that we wanted to drink."

"More German propaganda," exclaimed the elderly woman.

PORTLAND SEED CO.

Notice To Planters

After finishing the digging and grading of our Italian and other prune trees, we find we have a few thousand nice 4-6 and some 3-4 foot Italian trees in excess of what we counted on. Are therefore able to book orders against this limited supply as long as they last. These trees are first class and were not injured by the hard freeze of December. To those needing Italian trees for Spring planting, we can only suggest prompt action—for certainly this limited number will not last long.

Logan Plants

Now is the time to arrange for your Logan Plant to insure getting them when you are ready to plant. The same is true of your strawberry plants, small fruits, fruit trees, etc. Place your order now and know you'll get the trees and plants at planting time.

FORD

THE UNIVERSAL CAR

You can get it in our Sales and Service Station. We are Authorized Ford Dealers. In our stockroom, we carry every part that goes into a Ford car or Ford truck. They're genuine Ford parts too—each made of the same tough, durable Vanadium steel as its counterpart in the Ford car. Our special Ford repair shop is thoroughly equipped with specially designed tools and up-to-the-minute machinery so that repairs, adjustments, or complete overhauls for Ford cars can be handled promptly and efficiently.

Our mechanics who will do the work on your Ford cars, or trucks, understand the Ford mechanism and know the right way to tune it up. And for the work you will pay only the reasonable Ford prices.

We are a part of the Big Ford Family and not only repair Fords but sell them as well. We have more than a passing interest in the service we give you. Drive to our garage when your Ford needs repairing. For safety's sake have the Authorized Ford Dealer do it.

INSIST ON GENUINE FORD PARTS

The World's Largest Tire Factory Building 30x3, 30x3½ and 31x4-inch Tires

Owners of small cars can enjoy the same high relative value in Goodyear Tires that gives utmost satisfaction to owners of big, costly motor carriages.

They can take advantage of that tremendous amount of equipment, skill and care employed by Goodyear to build tires of extraordinary worth in the 30x3, 30x3½, and 31x4-inch sizes.

They can secure these tires without waiting, despite the enormous demand, because, in addition to its larger sizes, Goodyear builds an average of 20,000 a day in the world's largest tire factory devoted to the three sizes mentioned.

If you own a Ford, Chevrolet, Dort, Maxwell, or any other car using one of these sizes, go to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure \$20.00
Fabric, All-Weather Tread

30x3½ Goodyear Single-Cure \$17.65
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag. \$3.90
