**THE Prodim Process does tough-
en Staggard Treads to a remark-
able degree; it does make Republic
Tires last longer.**

It is easy to prove this. Examine the
tread of any Republic Tire that has
been driven several thousand miles.

You will at once remark the notable
absence of chipping and cutting that
you would expect to find in a tire
that had undergone such usage.

It will pay you to look into the longer
life of Republic Tires and their conse-
quent savings.
