### Notice To Planters

After finishing the digging and grading of our Italian and other prune trees, we find we have a few thousand nice 4-6 and some 3-4 foot Italian trees in excess of what we counted on. Are therefore able to book orders against this limited supply as long as they last. These trees are first class and were not injured by the hard freeze of December. To those needing Italian trees for Spring planting, we can only suggest prompt action—for certainly this limited number will not last long.

### Logan Plants

Now is the time to arrange for your Logan Plant to insure getting them when you are ready to plant. The same is true of your strawberry plants, small fruits, fruit trees, etc. Place your order now and know you'll get the trees and plants at planting time.
