AS TO INFANT AUTHORSHIP

Many Who Afterward Achieved Greatness May Properly Be Classed as Youthful Prodigies.

Pope, who "lisped in numbers," had the moral courage to burn all his childish and boyish verses, including the epic, "Alexander." He took no chance of posthumous publication, says the Youth's Companion.

When little Tom Macaulay was seven years old he wrote a "Compendium of Universal History," beginning with the creation, and when he was eight a heroic poem on "Glauc the Great." It was natural that his mother should have cherished those proofs of early talent and have shown them occasionally to friends; but, as his nephew, Mr. Trevelyan, neatly observes, "If the affection of one generation has preserved them intact the pity of another generation refrains from submitting them to the public."

A distinguished book collector has had printed for his own pleasure and for the pleasure of his friends the "History of Moses," composed by Robert Louis Stevenson when he was six years old and dictated to his mother. The tiny volume is embellished with a facsimile of Mrs. Stevenson's manuscript and with a delightful illustration in water colors from the hand of the little prodigy. It represents the Israelites hilariously leaving Egypt. They smoke long pipes and carry umbrellas and bundles. One of them pauses long enough to beat a protesting Egyptian over the head. The narrative is both comprehensive and concise. It won a prize from a generous uncle in 1856, and it is today as good an example of infant authorship as we are likely to read.

HOLY CITY NOW FORGOTTEN

Established by Mormons on Island in Lake Michigan, It Was of Considerable Importance.

The Wisconsin State Historical society is preparing a history of the Mormons who settled in and around the state during the middle of the nineteenth century. The history will contain much new material concerning the early Mormons who settled in Illinois and built their sacred city of Nauvoo, just above Keokuk.

After the death of Joseph Smith, leader of the Mormons, in 1844, one of the claimants to the succession was James J. Strang of Burlington, Wis., who was converted to Mormonism in 1843 by missionaries who came to Burlington. Strang soon gained a strong following and established a holy city at Voree, where his followers made their headquarters, sent out missionaries and became successful rivals to the Brigham Young movement in Utah.

About 1849 Strang moved his followers to Beaver Island in Lake Michigan, where he built a new sacred city, and had his headquarters from 1849 to 1856. The city of St. James was the most important between Detroit and Milwaukee. Strang met death at the hands of two of his followers. He left no successor, and the Gentiles, profiting by the confusion, descended on his domain and looted it. The inhabitants were forced to leave with such of their possessions as they could carry, and were deported by boat to Chicago and Milwaukee. The church built up by Strang was thus destroyed. It is estimated that of this branch of the Mormons less than two hundred now remain.

MAKE it easier to get around and you make healthier and happier communities. No one any longer questions the worth of the automobile — or begrudges any legitimate expense connected with it.

But millions of car owners are rebelling at the idea that running an automobile has got to mean waste.

II

Every now and then you hear a neighbor complain that "he doesn't seem to have much luck with tires."

Send him to us.

The minute a man begins to question the service his tires are giving him, he's ready to listen to reason.

Our business is built on the principle that the only way to get better tire service is to get better tires to start with.

That's why we have taken the representation for U. S. Tires.

III

U. S. Tires have a reputation for quality.

Built up through years of creating better tires. Such as the straight side automobile tire, the pneumatic truck tire.

It is not by chance that U. S. Tires are made by the oldest and largest rubber concern in the world.

We are proud to represent U. S. Tires in this community.
