Build before Planting Time

Before spring planting demands all your time, how about your farm buildings? How about granaries, sheds for machinery, barns? Are you prepared to take care of next fall's crops?

And repairing. Better get that out of the way now. Don't let a leaking roof keep you out of the field next summer.

We carry everything in lumber that you will need, including the handy, "ready to use" wall and ceiling material, Beaver Board. We will be glad to give you estimates on your building and repairing and also to help you plan the work. Phone or call us any time.
