**Every Oregon Boy and Every Oregon Girl Is a possible College Student**

Oregon sends a bigger percentage of its children to college than any other state, without exception.

**That is one of the State's proudest records**

No state can have too much education. Education is the safeguard of freedom and of right, and higher education is the capstone of the public school system. But higher education in Oregon is in great danger. The State University and the Agricultural College have twice as many students as they have income to train.

**Protect these Schools and their great work**

by voting on May 21 for the Higher Educational relief measure. Higher Education pays the state in dollars and cents, in improved living, in scientific progress, in farm, orchard, garden, and stock ranch development, and in the better quality of its public and high school teaching.

**REPUBLIC TIRES**

*With STAGGARD Studs*

Prodiun Rubber and Staggard Studs are the two things which make Republic Tires last longer.

Rubber toughened and strengthened by the Prodiun Process resists wear in a really remarkable way.

The Staggard Studs present no sharp edges to be ground down rapidly.

The net result is slow, even wear—like the slow, even wear of good steel—and decidedly longer tire-life.
