

Cut Your Tire Bills 1-2 Let Us Show You

How you can save one-half your tire expense this year by letting us apply Gates Half-Sole Tires to the worn tires now in use. Half-Sole tires cover the worn casings from bead to bead, and are guaranteed puncture proof for 5,000 miles. They will give you 10,000 to 20,000 more miles from your tires. Bring in your worn tires, and let us demonstrate this Half-Sole tire to you. Remember: They cost only half as much as an ordinary tire of corresponding size.

THE life, the value, the beauty of your home, depend on the care you give it. Weather-beaten and warped siding, cracks and open joints are forerunners of decay. Many property owners neglect to look for such signs, judging their houses and buildings by general appearances only. It is good business to make regular inspection of your property, and to use paint of good quality, which is the surest preventive of decay. Through the varying conditions of weather in all their extremes, FULLER Paint has proved both its preserving and beautifying qualities—a Pacific Coast Product for Pacific Coast requirements. 71 years of paint manufacturing experience are back of every brushful of FULLER Paint.

ELECTION, MAY 21

STATE ROADS Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:
302 X Yes CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly.
303 No LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.—Purpose: To amend Section 7 of Article XI of the Constitution of the State of Oregon so as to permit the creation of debt and liabilities including previous debts and liabilities for the purpose of building and maintaining permanent roads to the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent as now provided by law.

**NO PROPERTY TAX—NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX**

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be finished by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenues from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will redeem principal and interest and yield surplus bonds.

To the Ladies of Newberg

Our lady representative will call at your home to show you what Calumet Baking Powder will do for you and why it is called the cook's best friend.

The demonstration and test she will make are interesting and instructive. The test is not a comparative test of the strength of different baking powders because the water glass test does not show the strength of baking powder that does not contain white of egg. The test will, however, show the superiority of Calumet in other respects and prove why it has solved all baking problems in millions of homes. Calumet is not only the best leavening agent possible to make, but it is sold at a popular price and is therefore an important factor in reducing the high cost of living.

Calumet is manufactured in the largest, finest and most sanitary baking powder plant in the world, by experts who make nothing but baking powder. Calumet received the highest awards for purity and efficiency at the world's greatest pure food expositions at Chicago in 1907, and at Paris, France, in 1912. Calumet contains only such ingredients as have been officially approved by the United States Food Authorities.

Calumet is guaranteed to be Pure in the Can and Pure in the Baking. Try Calumet once at our risk. Your money back without question if it isn't the best baking powder you ever used.

He Must Be the Biggest and the Soundest and the Most Effective American We Can Find.

Before Committing Yourself Consider These Facts:

Out of thirteen states, where the contest was between Wood and Johnson for the instruction of delegates to the Republican National Convention, the elections have been decided for Wood in nine.

Total Number of Delegates Pledged to Vote for Wood at Republican National Convention, 321

Since the narrowing down of the field, the situation is generally diagnosed as follows:

A vote for Hoover, for Lowden, or for Poindexter is a vote for Johnson.
